

CATERPILLAR NORTHERN IRELAND

PROUD TO BE PART OF THE COMMUNITY.

WHO WE ARE

Formerly known as FG Wilson, Caterpillar Northern Ireland (NI) was acquired by Caterpillar in 1999 and is an important part of the Caterpillar Inc..

The company has two sites in Northern Ireland. The **Larne** site is part of Caterpillar's Electric Power Division, while the **Springvale**, Belfast site is part of the Large Power Systems Division.

Larne Facility

Springvale Facility

Facility Highlights

- ISO 14001 Certified
- ISO 9001 Certified (Larne)
- BITCNI Gold Award for Environmental Excellence
- Highly commended, Inspirational STEM Employer, STEM learning awards.

WORLD-CLASS PRODUCTS

The Larne facility designs and manufactures Cat® Power Solutions for key business sectors including data centres, construction, mining, healthcare, utility and other industries.

The Springvale facility, Belfast, produces major component subassemblies including axles and transmissions for Cat® articulated trucks as well as other oil and gas applications.

The products made in Northern Ireland are used in a variety of applications:

Mining

Healthcare

Datacentres

Utilities

TALENTED PEOPLE & PARTNERS

We have more than 10,000 people working across Caterpillar's U.K. sites, including nearly 1,000 in NI. Our diverse workforce spans from manufacturing to human resources to logistics and engineering – representing 14 Caterpillar divisions.

Caterpillar Northern Ireland has made a positive impact on employment in the region, not only through employment directly at the facility, but also with the many suppliers in the region who help make our work possible.

>> Nearly 1,000 total workforce – full time and agency

>> 63% of indirect materials are locally supplied

CATERPILLAR NORTHERN IRELAND

PROUD TO BE PART OF THE COMMUNITY.

OUR COMMUNITY COMMITMENT

Since its founding in 1952, the **Caterpillar Foundation** has contributed to helping improve the lives of people around the world. Support has been provided to programs in and around Caterpillar Northern Ireland facilities, helping those communities where our employees work to be stronger, more resilient, and more sustainable.

The Caterpillar Foundation has **invested \$3.3 million USD** into community projects in Northern Ireland in the last seven years!

You've seen the Caterpillar Foundation ...

- Partnering with Queen's University Belfast and South Eastern Health and Social Care Trust to raise the literacy standards and communication skills of children in care
- Supporting Larne and Carrickfergus foodbanks during the COVID pandemic
- Pioneering STEM initiatives with Queen's University, engaging with students and teachers to promote STEM as interdisciplinary concept

Community Donations

In addition to Caterpillar Foundation, **Caterpillar NI facilities** have:

- donated more than £167,000 to local charities in the last 10 years
- made regular food bank and Christmas hamper donations
- supported Mission Christmas Cash for Kids Appeal

Community Events

Caterpillar regularly supports community events, including:

- Antrim Coast Half Marathon
- Belfast City Marathon
- Larne Business Awards
- Park & ride facilities for local community events

Local Business

We are proud to serve as a member for:

- Business in the Community (BITCNI)
- Chamber of Commerce
- Invest Northern Ireland
- East Antrim Manufacturing Task Force

PARTNERSHIPS

Caterpillar is committed to helping develop the workforce of tomorrow and partner with local schools at all levels to help build the real skills needed for today's manufacturing. Here are just a few:

STEM

- Committed to supporting the STEM agenda (Science, Technology, Engineering & Maths) through educational events
- Proud partner of the FIRST Lego League programme, providing more than 800 hours of mentoring and approximately \$20,000 of financial support over the last decade for the NI regional competition

Apprentices

- The Caterpillar NI apprentice program is well-established and was recognised for highest achieving student & overall best in class in 2021 by Northern Regional College
- Contributions totaling £12.6 million made to NI Apprentice Levy

Educational Initiatives

- Business in the Community: 200 pieces of IT equipment recently donated to the Devices for Children Scheme
- Ongoing volunteer support for Time to Read Scheme
- Sponsorship of 4C UR Future careers & skills event for young people
