CAT® COMPACT TRACK LOADERS
MAKE THE GRADE

WHEN IT COMES TO SITE GRADING, CAT® COMPACT TRACK LOADERS, EQUIPPED WITH SMART GRADER AND DOZER BLADES, SCORE HIGH MARKS.

Caterpillar's smart grader and dozer blades add a boost of versatility to Cat® D3 series Skid Steer and Compact Track Loaders. Once paired with the host machine, these smart attachments unlock a specialized display and tailored controls for maximum jobsite productivity. Assist functions help good operators achieve great results. Sounds amazing – but how do they stack up against the competition? Check out this feature-by-feature comparison and see for yourself.
