CAT® APP

24/7 EQUIPMENT MANAGEMENT ON-THE-GO

Efficient equipment management starts with the Cat App. Track the location and health of your equipment, order service and parts, and activate telematics devices directly from your mobile device. Staying on top of your fleet 24/7 has never been easier.

WHAT'S NEW

Feature Improvements

- To ensure users are only able to select accounts that are completely processed, the Dealer Customer View experience has been updated to make the partially processed Company UCIDs not selectable.
- App Dependencies have been updated to protect users from security and performance issues. (Android Only)
