LOWER YOUR COSTS AND DOWNTIME

GET LIKE NEW PERFORMANCE

Every Cat Reman oil pump performs just like a new part. **That's because we:**

- Completely disassemble, clean and inspect every component to ensure quality and durability
- Install 100% new springs, seals and gaskets
- Include all the latest engineering changes for top performance and long life
- Perform multiple quality checks, including an extensive end-of-the-line test

CONTROL YOUR REPAIR COSTS

Available off the shelf and priced at a fraction of the cost of new parts, Cat Reman oil pumps help you reduce expenses and downtime. Plus, they come with a same-as-new, 12-month warranty¹ that covers:

- Repairs at any authorized Cat dealer (not limited to the original selling or servicing dealer)
- Parts and installation labor¹ to replace defective parts, when performed by an authorized Cat dealer
- Resultant damage¹ caused by a covered component to other Cat engine components
- Replacement of engine oil, coolant and filters if contaminated during a failure of a covered component¹

¹Limitations may apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.

RECEIVE MORE VALUE FOR YOUR CORE

Our flexible core acceptance criteria help you get more for your money. We use simple, visual inspections that don't require special tools or disassembly. That means we can provide a quick decision on core condition and credit, so you don't have to guess about your repair costs.

Receive full core credit² if:

- Acceptable Cat part number
- Fully assembled and complete
- No non-operational damage — mishandling, excessive rust, corrosion or pitting
- No cracked or broken housing

²Additional guidelines may apply. Contact your authorized Cat dealer for more information.
