LOWER-COST, LONG-LIFE REPAIR SOLUTION

GET AN ENGINE THAT'S LIKE NEW

You deserve a product that performs like new. Every Cat Reman engine long block is remanufactured at state-of-the-art remanufacturing facilities, where they:

- Disassemble, clean and inspect every remanufactured component; apply advanced salvage techniques; and incorporate the latest engineering changes
- Replace all piston rings, rubber parts, springs, seals, gaskets and O-rings with 100% new components
- Regrind and polish crankshaft and journal surfaces.
- Replace cylinder liners or re-hone cylinder bores to exact dimensions
- Reassemble the final product using Caterpillar product engineering standards
- Perform an extensive, end-of-the-line test to ensure every long block meets original performance specifications

RECEIVE MAXIMUM VALUE FOR YOUR CORE

Our flexible core acceptance criteria ensure you get more value for your core. We use simple, visual inspections that don't require special tools or disassembly, so we can provide a quick decision on core condition and credit. That means you don't have to wait for - or guess about your repair costs.

Receive full core credit¹ if

- Acceptable Cat part number
- Fully assembled and complete
- Cylinder block is not visibly cracked, broken or welded
- Crankshaft not visibly broken

However, even blocks with visibly cracked, broken or welded cylinder blocks or visibly broken crankshafts are eligible for partial credit.

CONTROL YOUR DOWNTIME AND REPAIR COSTS

Cat Reman long blocks are priced at a fraction of the cost of new to keep your repair costs down — and they're available off the shelf to keep your downtime to a minimum. Plus, they're backed by the same-as-new, 12-month warranty² which covers:

- Repairs at any authorized Cat dealer (not limited to the original selling or servicing dealer)
- Parts and installation labor² to replace defective parts, when performed by an authorized Cat dealer
- Resultant damage² caused by a covered component to other Cat engine components
- Replacement of engine oil, coolant and filters if contaminated during a failure of a covered component²

²Limitations may apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.
