

» CAT® HEAVY-DUTY PRECIOUS METALS KITS

AFFORDABLE OPTIONS FOR EVERY TYPE OF REPAIR

GET ALL THE PARTS YOU NEED FOR A RELIABLE, HIGH-QUALITY REPAIR THAT MEETS CATERPILLAR'S RECOMMENDED OVERHAUL PRACTICES.

PAY LESS. GET MORE.

With Cat® heavy-duty precious metals kits, you pay up to 30% less than buying truck engine parts individually. Choose the option that matches your repair indicators. (See back for details on what each kit includes.)

OPTION	REPAIR INDICATORS	KIT OVERVIEW
BRONZE KIT	Any external oil, coolant or fuel leaks	<ul style="list-style-type: none"> » - Pair with liners & rings for a basic engine reseal - Includes new components — no core charge
SILVER KIT	Decrease in power, increase in oil consumption or excessive exhaust smoke	<ul style="list-style-type: none"> » - Select this low-end rebuild if you can reuse connecting rods - Includes new components — no core charge
GOLD KIT	Decrease in power, increase in oil consumption or excessive exhaust smoke	<ul style="list-style-type: none"> - Select this mid-range rebuild if you cannot reuse connecting rods » - Contains factory-assembled Cat Reman cylinder packs with connecting rods - Commonly pairs with Cat Reman cylinder head
PLATINUM KIT	Decrease in MPG or power or increase in oil consumption with excessive exhaust smoke	<ul style="list-style-type: none"> - Select this premium overhaul to reset your engine to like new specifications » - Contains Cat Reman components not included in gold: cylinder head, injector set, water pump & oil pump - Commonly pairs with turbocharger(s)
LONG BLOCK	Decrease in MPG or power or increase in oil consumption with excessive exhaust smoke	<ul style="list-style-type: none"> » - Upgrade to this option if you need a camshaft in addition to platinum - Saves 40-50% on labor hours compared to platinum - Includes \$11,000+ more value in parts than platinum

COMPARE YOUR OPTIONS

	BRONZE	SILVER	GOLD	PLATINUM	LONG BLOCK	WHY CHOOSE CAT PRECIOUS METALS KITS?
Rod & main bearing set	X	X	X	X	X	Critical internal components are designed for your Cat engine
Head gasket set	X	X	X	X	X	Comprehensive set means no missing o-rings or gaskets
Front cover gasket	X	X	X	X	X	Replacing the seal, which can be damaged during removal, helps prevent leaks
Oil pan gasket	X	X	X	X		One-piece steel/silicate design is better than paper gaskets
Kit gasket (single fuel injector)	X	X	X	X		Replacing injector seals helps prevent fuel dilution & engine damage
Exhaust manifold sleeves, high-temp studs & locking nuts	X	X	X	X		Debris from unexpected failure could damage turbo & cylinder components
Oil pan isolator assemblies	X	X	X	X		Replacement ensures compliance with emission & noise standards
Thermostats	X	X	X	X		Replacement ensures proper cooling & prevents overheating
Advanced efficiency oil & fuel filters	X	X	X	X		Increased filtration reduces wear & protects fuel system from contamination
Liners, piston body skirts, rings, wrist pins & liner seals		X	X*	X*	X	Critical internal components are designed for your Cat engine
Piston crowns		X	X*	X*	X	Replacement helps improve performance & reliability
Connecting rods			X*	X*	X	Reusing bent or imperfect rods can lead to catastrophic failure
Complete Cat Reman cylinder head & cylinder head bolt set				X	X	Cat Reman head offers like new performance & reliability at fraction-of-new price; new head bolts ensure proper torque at critical joints
Cat Reman water pump				X	X	Cat Reman pump offers like new performance & reliability at fraction-of-new price
Cat Reman injectors: complete set				X		Critical internal components are designed for your Cat engine
Cat Reman oil pump				X		Critical internal components are designed for your Cat engine
Cat Reman cylinder block					X	Caterpillar factory remanufactured block is built to like new specifications for peace of mind
Cat Reman crankshaft					X	Magnafluxing & demagnetization ensure a quality rebuild
Cat Reman oil cooler					X	Replacement prevents excessive oil temps to reduce wear & maximize engine life
Cat Reman fuel transfer pump					X	Maintaining proper fuel pressure is key to maximum fuel economy & performance
Front housing & gear train					X	Factory-built & timed parts deliver the best performance & fuel economy
Cylinder block mid-plate					X	New plate ensures solid block-to-head joint for full head gasket life
Valve cover base & set					X	Factory-built & timed parts deliver the best performance & fuel economy
Variable valve actuators (VVAs) <i>only on ACERT engine long blocks</i>					X	Caterpillar factory remanufactured VVA set ensure proper operation of critical emissions required components

* Part of preassembled Cat Reman cylinder pack

» PEACE-OF-MIND COVERAGE

An unlimited-miles, 12-month Caterpillar Limited Warranty¹ covering parts, labor¹ and resultant damage¹ comes standard. Add Extended Service Coverage (ESC) for 24, 36 or 48 months — no mile or hour limitations.

¹Warranty can vary by model and application; limitations may apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.

» YOUR DEALER IS STANDING BY

The Cat dealer network stocks a broad line of new and Cat Reman parts and components, supported by the Caterpillar worldwide inventory and distribution system. With over 30 authorized Cat dealers in North America who manage a combined network of 2,000+ sales and service locations, most components are available and ready to install, reducing your downtime and maintaining productivity. Contact your local authorized Cat dealer today.
