PERFORM LIKE NEW AT A
FRACTION OF THE COST

COMPLETE LONG BLOCKS READY TO
BE BUILT INTO YOUR ENGINE REDUCE
YOUR DOWNTIME AND COSTS

Choose a repair solution that delivers reliability and affordability.

When your Cat® engine needs service, you need an option that gets you back on the road quickly and cost-effectively. That's what you get with Cat Reman 3126B/3126E and C7 long blocks. Complete with cylinder block and head, crankshaft, camshaft, pistons, connecting rods, timing gears, lifter and oil cooler — plus the high pressure HEUI pump — our fully assembled long blocks are ready to be built into your engine.

Cat Reman long blocks are completely updated, inspected and tested to perform like new. The 12-month, same-as-new, unlimited-miles Caterpillar Limited Warranty¹ for Cat parts protects your investment, and flexible core acceptance criteria mean even broken or cracked blocks are eligible for credit.

LOWER-COST, LONG-LIFE REPAIR SOLUTION

1

GET A LONG BLOCK THAT'S LIKE NEW

You deserve a product that performs like new. Every Cat Reman long block is remanufactured at state-of-the-art remanufacturing facilities where we:

- » Disassemble, clean and inspect every remanufactured component, apply advanced salvage techniques, and incorporate the latest engineering changes
- » Replace all piston rings, rubber parts, springs, seals, gaskets and O-rings with 100% new components
- » Regrind and polish crankshaft and journal surfaces
- » Replace cylinder liners or re-hone cylinder bores to exact dimensions
- » Reassemble the final product using Caterpillar product engineering standards
- » Perform an extensive end-of-the-line test to ensure every long block meets original performance specifications

3

RECEIVE MORE VALUE FOR YOUR CORE²

Our flexible core acceptance criteria ensure you get more value for your core. We use simple, visual inspections that don't require special tools or disassembly, so we can provide a quick decision on core condition and credit. That means you don't have to guess about your repair costs.

To receive full core credit, the block must be fully assembled and complete; the cylinder block must not be visibly cracked, broken or welded; and the crankshaft must not be broken. However, even blocks with visibly cracked, broken or welded cylinder blocks or broken crankshafts are eligible for partial core credit.

¹ Warranty can vary by model and application; limitations may apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.

CONTROL YOUR DOWNTIME AND REPAIR COSTS

Cat Reman 3126B/3126E and C7 long blocks are priced at a fraction of the cost of new to keep your repair costs down — and they're available off the shelf to keep your downtime to a minimum. Plus, they're backed by the same-as-new, 12-month, unlimited miles Caterpillar Limited Warranty¹ for Cat parts, which covers:

- » Repairs at any authorized Cat dealer (not limited to the original selling or servicing dealer)
- » Parts and installation labor¹ to replace defective parts, even if the original repair was not performed by a Cat dealer (assuming workmanship did not cause the failure)
- » Resultant damage¹ caused by a covered component to other Cat engine components
- » Replacement of engine oil, coolant and filters if contaminated during a failure of a covered component¹
