

» CAT® REMAN AIR COMPRESSORS

CUT YOUR COSTS AND DOWNTIME

RIGOROUS CATERPILLAR REMANUFACTURING
PROCESSES HELP YOU ACHIEVE LOWER TOTAL
OWNING AND OPERATING COSTS

Increase performance inside your engine while you reduce costs.

When it's time to replace your air compressor, why not choose the option that gives you like new performance at a fraction of the cost of new parts? That's what you get with Cat® Reman air compressors. Designed, manufactured and tested specifically for your Cat on-highway truck engine, they always include the latest engineering updates to increase performance.

Plus, Cat Reman air compressors are backed by a same-as-new parts Caterpillar Limited Warranty and available Extended Service Coverage (ESC) — but they're priced at a fraction of the cost and available off the shelf. The result is less downtime, reduced repair costs and lower owning and operating costs over your engine's lifecycle.

PRODUCT**

DELIVER DEPENDABLE, LOW-COST PERFORMANCE

1

GET LIKE NEW QUALITY

When you choose Cat Reman air compressors, you get a product that performs like new. Caterpillar remanufacturing processes include:

- » Disassembling, cleaning and inspecting every component for damage
- » Replacing all piston rings, rubber parts, springs, seals and gaskets with 100% new components
- » Regrinding and polishing crankshaft and journal surfaces
- » Rehoning cylinder bores to exact dimensions
- » Reassembling the final product using Caterpillar product engineering standards
- » Performing multiple quality checks, including an extensive end-of-the-line test, to ensure every product meets original factory performance specifications

YOUR DEALER IS STANDING BY

The Cat dealer network stocks a broad line of new and Cat Reman parts and components, supported by the Caterpillar worldwide inventory and distribution system. With over 30 authorized Cat dealers in North America who manage a combined network of 2,000+ sales and service locations, most components are available and ready to install, reducing your downtime and maintaining productivity. Contact your local authorized Cat dealer today.

¹ Warranty can vary by model and application; limitations may apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.

² Additional guidelines may apply. Contact your authorized Cat dealer for more information.

2

CONTROL YOUR REPAIR COSTS

Available off the shelf and priced at a fraction of the cost of new parts, Cat Reman air compressors help you reduce expenses and downtime. Plus, they come with an unlimited-miles, 12-month Caterpillar Limited Warranty¹ that covers:

- » Repairs at any authorized Cat dealer (not limited to the original selling or servicing dealer)
- » Parts and installation labor¹ to replace defective parts, even if the original repair was not performed by a Cat dealer (assuming workmanship did not cause the failure)
- » Resultant damage¹ caused by a covered component to other Cat engine components
- » Replacement of engine oil, coolant and filters if contaminated during a failure of a covered component¹

3

RECEIVE MORE VALUE FOR YOUR CORE²

Our flexible core acceptance criteria helps you get more for your money. We use simple, visual inspections that don't require special tools or disassembly. That means we can provide a quick decision on core condition and credit, so you don't have to guess about your repair costs.

You'll receive full core credit for your air compressor as long as it's completely assembled, the housing isn't cracked and is an acceptable Cat part number.
