

# EAST PEORIA UNDERCARRIAGE

## WHO WE ARE

We are the makers, problem solvers and future world builders who are creating stronger, more sustainable communities. We don't just talk about progress and innovation here – we make it happen, with our customers, where we work and live. Together, we are building a better world.

East Peoria, Illinois has been building undercarriages for more than 110 years. We manufacture in Buildings BB, GG and HH on the 720,000-square-foot campus. Our team members ship product to different customers around the world, including Caterpillar facilities in France, Thailand, Indonesia, Brazil, Sumter, SC, East Peoria IL, and to aftermarket distributors.

## OUR PEOPLE

In EPUC, we have over 350 talented employees who work to design and build our undercarriage product. As a result of both our design and manufacturing expertise, we have complete control over the process from conception to finished product ensuring quality control and a machine-specific product match. This results in lower costs for our customers. Our overall undercarriage team holds around 90 active patents.

## OUR PRODUCTS

We heat treat, assemble and machine undercarriage components including:

- Track links
- Track shoes
- Sprocket segments
- Master links
- Full links
- Bushings

## COMMUNITY IMPACT

We believe that everything we do makes an impact and helps build a better world. Through our long-standing commitment to our community, we:

- Participate in annual United Way Campaign, raising over \$7,000 in 2022.
- Attend off-site visit with local National Guard bases, promoting development for those serving our nation.
- Volunteering for beautifying the area with clean-up, gardening, etc. Around the facility. Hosted on-site food drives for local organizations.
- Participate in Rebuilding Together.

## AT CATERPILLAR

- We are an inclusive, values-based company that never forgets we're all human.
- We hold ourselves accountable and treat each other with integrity and respect.
- We put safety first in everything we do, including creating safe workspaces strengthened by empathy and respectful interactions.
