

CAT[®] LONG BLOCKS

A LOW COST ENGINE REPAIR SOLUTION

INCREASE UPTIME. DECREASE OVERHAUL RISK.
LIKE NEW PERFORMANCE, PARTS AND TESTING.
BETTER BY A LONG BLOCK.

LIKE NEW PERFORMANCE AT LESS-THAN-NEW COST.

THAT'S WHAT YOU GET WITH CAT® REMAN LONG BLOCKS

It's decision time. Which engine repair option best suits your needs? With time and cost savings, like new performance and the reassurance of Genuine Cat® parts and same-as-new Caterpillar parts warranty coverage,* Cat Reman long blocks are the right decision.

PUT TIME ON YOUR SIDE.

Cat long blocks put time on your side with quick turnarounds, widespread availability and more of what you need.

- Faster turnaround time
- Save up to 30 hours compared to typical rebuilds
- Reduce labor hours on engine build-ups to help lower total costs of operation
- Nearly 75% fully assembled means less labor time

CUT COSTS, NOT CORNERS.

Compared to total engine overhauls, Cat long blocks provide big savings in time, labor and overhaul costs. Best of all? Your engine will be restored to like-new performance, for less.

- Save big on labor costs compared to typical rebuilds
- Flexible Cat core criteria
- Built-in value over \$15k versus the competition
- No need to outsource machining work

MINIMIZE RISK. INCREASE PERFORMANCE.

When it comes to repairing your investments, put your trust in Caterpillar's premium quality, no doubt, no fuss solution: Cat long blocks – they've got your back.

- Remanufactured using new Cat parts
- 100% passed pre-delivery inspections and quality checks
- Engineered to reduce risk by avoiding variability

*Limitations may apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.
