

CAT® SERVICE REPLACEMENT ENGINES

A cost-cutting, time-saving alternative to full engine overhauls.

MAXIMUM MACHINE LIFE

- Guaranteed to meet or exceed original engine specifications
- Sourced from Caterpillar directly to ensure superior quality, reliability and equipment longevity
- Improved machine life cycle management

MINIMIZE DOWNTIME

- Off-the-shelf availability and swing time inventory
- Ensures optimum machine productivity levels
- Faster, more efficient turnaround time compared to engine overhauls

UP TO 25% SAVINGS VS. OVERHAULS

- Flexible options include new, remanufactured and new with core and long and short replacement engines
- Simpler and more affordable than full engine overhaul alternatives
- Significant cost advantages for medium engines (0.5 to 7.1 liter) vs. full overhauls
