

# CAT® CYLINDER HEADS

## CAT REMAN OPTIONS AVAILABLE

- LIKE NEW QUALITY AND PERFORMANCE
- UP TO 40% OFF COST OF NEW

## DURABLE, HIGH-QUALITY CYLINDER HEADS FOR LONGER LIFE AND LOWER COST OF OWNERSHIP

### 100% DESIGNED & TESTED TO STRINGENT QUALITY SPECIFICATIONS

- Latest engineering improvements provide up-to-date performance standards for your engine
- Precision machining and tolerancing to stringent Caterpillar specifications mean less potential for engine damage
- Designed, tested and matched as a system to provide like new performance and emissions

### ENGINE SYSTEM DESIGN INTEGRATION LOWERS TOTAL COST OF OWNERSHIP

- Cat® cylinder heads and valves seal in the pressures of combustion, circulate coolant to maintain proper operating temperatures, and provides precise manufacturing tolerances to meet strict emissions and performance targets while increasing engine life and uptime
- Engine system design integration provides higher efficiency and lowers engine and equipment operating costs
- New cylinder head castings are designed to be rebuilt for additional lifecycles lowering total cost of ownership

### 12-MONTH CATERPILLAR LIMITED WARRANTY<sup>1</sup>

- Covers parts and labor<sup>1</sup> to replace defective parts at any authorized Cat dealer
- Covers resultant damage<sup>1</sup> caused by the covered component
- Dedicated global Cat dealer network of highly trained experts
- Parts availability across 21 Global Caterpillar Parts Distribution Centers & 2,300+ authorized Caterpillar locations

<sup>1</sup>Warranty can vary by model and application; limitations may apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.
