

A SMARTER WAY TO INSPECT YOUR FLEET

Looking for better asset productivity with digital inspections? Now with Cat® Inspect, you can start every day with access to your equipment data from any mobile device.

CAT® INSPECT CAT EQUIPMENT MANAGEMENT

- Create custom check lists and inspection forms
- Share photos, videos, and comments
- Capture on-the-go notes and additional asset information
- Rate actionable items for quick identification
- Secure inspection results for Cat and non-Cat assets
- Integrate with [My.Cat.Com](#) and [VisionLink®](#)

An easy-to-use app that captures daily inspections data and integrates with your other Cat systems, so you can keep a close eye on your equipment and reduce downtime.
