

MEGA CORP.

WATER DISTRIBUTION EQUIPMENT

Overview

Located in Albuquerque, New Mexico, Mega Corp. has been manufacturing products in combination with on-highway and off-highway trucks, tow tractors, articulated trucks, and wheel tractor scrapers for use in the construction and mining industries worldwide for more than 50 years. Their product portfolio includes water distribution equipment, service bodies, and specialty haulage equipment.

CATERPILLAR OEM SOLUTIONS

MEGA WATER DISTRIBUTION EQUIPMENT

Mega's water distribution equipment product lines include tanks for use with Cat® articulated and rigid-frame trucks and wheel tractor-scrapers.

Mega's water tanks are available with a wide variety of options including stainless steel pumps and piping, stainless steel hydraulic water cannons, foam spray systems, corrosion resistant interior coatings, and a multitude of spray system configurations. Mega also offers standalone products including portable tanks and mobile pumps.

Rigid Frame Truck Water Tanks (MTT/MWT)
Mega manufactures a complete line of water tanks for Cat rigid frame off-highway prime movers. These are available for dealer installation. Tank capacities range from 34,000 liters / 9,000 gallons to 197,000 liters / 52,000 gallons.

Articulated Truck Water Tanks (MAC/MAT)
Mega manufactures a complete line of water tanks for Cat articulated prime movers. These are available for dealer installation or with Mega factory installation. Tank capacities range from 19,000 liters / 5,000 gallons to 38,000 liters / 10,000 gallons.

Scraper-Drawn Water Tanks (MSC/MST)
Mega manufactures a complete line of water tanks for Cat wheel tractor scrapers. The scraper drawn water tanks can be built for either rigid hitch or drop tank configurations. Mega can convert your scraper to a water tank or replace an existing water tank. The gooseneck, draft frame and wheel and brake group may be re-used or replaced with new Mega components. Tank capacities range from 19,000 liters / 5,000 gallons to 45,000 liters / 12,000 gallons.

CAT® MODEL COMPATIBILITY:

» Cat 725 through 745 Articulated Truck Bare Chassis
» Cat 770 through 793 Off-Highway Truck Bare Chassis
» Cat 613 through 657 Wheel-tractor Scraper
