A RELIABLE, AFFORDABLE  
REPAIR FOR SIMPLE REBUILDS

## ONE PART NUMBER MAKES ORDERING EASIER AND SAVES YOU TIME

Are you noticing signs like a decrease in power, an increase in oil consumption or excessive exhaust smoke? These are all indications that your truck's engine may be due for a simple rebuild. If you can reuse your connecting rods, a Cat® precious metals silver kit is an economical option.

A silver kit contains the parts required for a reliable, high-quality repair that meets Caterpillar's recommended overhaul practices – including all new components, so there's no core charge. It also comes with an unlimited miles, 12-month Caterpillar Limited Warranty<sup>1</sup> covering parts, labor and resultant damage. You can add 24, 36 or 48 months of Extended Service Coverage (ESC).
