

CAT® REMAN AIR COMPRESSORS

CUT YOUR COSTS AND DOWNTIME

RIGOROUS CATERPILLAR REMANUFACTURING PROCESSES

Increase performance inside your engine while you reduce costs.

When it's time to replace your air compressor, why not choose the option that gives you like new performance at a fraction of the cost of new parts? That's what you get with Cat® Reman air compressors. Designed, manufactured and tested specifically for your Cat engine, they always include the latest engineering updates to increase performance and long life.

Plus, Cat Reman air compressors are backed by a same-as-new parts warranty — but they're priced at a fraction of the cost and available off the shelf. The result is less downtime, reduced repair costs and lower owning and operating costs over your engine's lifecycle.

**NEW PISTON RINGS AND
OTHER KEY COMPONENTS**

**EXTENSIVE INSPECTIONS
& TESTING**

**CATERPILLAR WARRANTIED
PRODUCT**

DELIVER DEPENDABLE, LOW-COST PERFORMANCE

GET LIKE NEW PERFORMANCE

When you choose Cat Reman air compressors, you get a product that performs like new. **Caterpillar remanufacturing processes include:**

- Disassembling, cleaning and inspecting every component for damage
- Replacing all piston rings, rubber parts, springs, seals and gaskets with 100% new components
- Regrinding and polishing crankshaft and journal surfaces
- Rehoning cylinder bores to exact dimensions
- Reassembling the final product using product engineering standards
- Performing multiple quality checks, including an extensive end-of-the-line test, to ensure every product meets original factory performance specifications

RECEIVE MORE VALUE FOR YOUR CORE

Our flexible core acceptance criteria helps you get more for your money. We use simple, visual inspections that don't require special tools or disassembly. That means we can provide a quick decision on core condition and credit, so you don't have to guess about your repair costs.

Receive full core credit¹ if:

- Acceptable Cat part number (Bendix, Midland, Haldex or Caterpillar only)
- Fully assembled and complete
- No non-operational damage — mishandling, excessive rust, corrosion, pitting, fire damage or hammer marks
- Component not visibly cracked, broken or welded

¹Additional guidelines may apply. Contact your authorized Cat dealer for more information.

CONTROL YOUR REPAIR COSTS

Available off the shelf and priced at a fraction of the cost of new parts, Cat Reman air compressors help you reduce expenses and downtime. Plus, they come with a same-as-new, 12-month warranty²:

- Repairs at any authorized Cat dealer (not limited to the original selling or servicing dealer)
- Parts and installation labor² to replace defective parts, when performed by an authorized Cat dealer
- Resultant damage² caused by a covered component to other Cat engine components
- Replacement of engine oil, coolant and filters if contaminated during a failure of a covered component²

²Limitations may apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.

YOUR DEALER IS STANDING BY

The Cat dealer network stocks a broad line of Cat Reman parts and components. With 21 Global Caterpillar Parts Distribution centers and more than 2,300 authorized Cat locations, most components are available and ready to install, reducing your downtime and maintaining productivity.
