

CAT® REMAN CYLINDER PACKS

SAVE TIME, MONEY & LABOR

PREASSEMBLED AND READY FOR INSTALLATION.

When you're rebuilding a Cat engine, it pays to choose parts that give you like new performance at a fraction of the cost with core return. Cat® Reman cylinder packs come with the cylinder liner, piston, rings, wrist pin, retainers and connecting rod preassembled, and the cylinder liner seal kit is also included. They simplify parts ordering and eliminate the need to assemble onsite, saving you time.

Plus, Cat Reman cylinder packs are backed by a same-as-new Caterpillar Limited Warranty¹. Cat® Reman cylinder packs must pass 30+ quality checks during assembly to meet like new quality and performance specifications. The result is less downtime, reduced repair costs and lower lifetime owning and operating costs.

**EVERYTHING YOU NEED
IN ONE ORDER**

**EXTENSIVE INSPECTIONS
AND TESTING**

**CATERPILLAR WARRANTIED
PRODUCT**

GETTING YOU BACK TO WORK QUICKLY AND RELIABLY

LIKE NEW PERFORMANCE

When you choose Cat® Reman cylinder packs, you get a product that performs like new.

Caterpillar remanufacturing processes include:

- Disassembling, cleaning and inspecting every component for damage
- Installing new piston bushings using correct installation methods for retention of bushing in bore
- Quality checks for new liners and rings for like new quality fit and operation
- All critical engineering updates
- Assembling the final product using product engineering standards
- Performing 30+ quality checks during assembly to ensure every product meets like new quality and performance specifications

RECEIVE MORE VALUE FOR YOUR CORE

Our flexible core acceptance criteria helps you get more for your money. We use simple, visual inspections that don't require special tools or disassembly. That means Cat dealers can provide a quick decision on core condition and refund, so you don't have to guess about your repair costs.

Full core refunds² start with:

- Acceptable Cat part number
- Fully assembled and complete
- No non-operational damage — excessive rust, corrosion, gouges, punch marks or evidence of an unsuccessful attempt to salvage
- Component not visibly cracked, broken or welded

CONTROL YOUR REPAIR COSTS

Ready to install and priced at a fraction of the cost of new parts with core return, Cat Reman cylinder packs help you reduce expenses and downtime. Plus, they are covered by a same-as-new, 12-month Caterpillar Limited Warranty¹ against Caterpillar defects in material and/or workmanship.

YOUR DEALER IS STANDING BY

The Cat dealer network stocks a broad line of Cat Reman parts and components. With 21 Global Caterpillar Parts Distribution centers and more than 2,300 authorized Cat locations, Cat Reman components are drop-in ready solutions, which help you reduce downtime and maintain productivity.
