

CAT[®] REMAN CYLINDER HEADS

SAVE TIME AND MONEY WITH CAT REMAN CYLINDER HEADS

LIKE NEW PERFORMANCE AND RELIABILITY AVAILABLE OFF THE SHELF — AT A FRACTION OF THE COST

Ensure long life and top performance at lower costs.

Looking for an alternative to buying new or rebuilding your cylinder heads? Choose a lower-cost repair option designed, manufactured and tested specifically for your engine: Cat[®] Reman cylinder heads.

Available for Cat engines, Cat Reman cylinder heads are backed by a same-as-new parts warranty — but they're priced at a fraction of the cost and available off the shelf so you can get back to work quickly and affordably. They're built to help you achieve lower owning and operating costs over your Cat engine's lifecycle, without sacrificing reliability, durability and fuel economy.

CUT YOUR COSTS AND DOWNTIME

GET LIKE NEW PERFORMANCE

Every Cat Reman cylinder head performs just like a new part. That's because we:

- Completely disassemble, clean and inspect every component to ensure quality and durability
- Include all the latest engineering changes for top performance and long life
- Perform multiple quality checks, including an extensive end-of-line leak test
- Cast, heat-treat and test to strict Caterpillar standards
- Machine and assemble using the latest Cat Reman machinery and technology

CONTROL YOUR REPAIR COSTS

Available off the shelf and at a fraction of the cost of new parts, Cat Reman cylinder heads help you reduce expenses and downtime. Plus, they come with a same-as-new, 12-month warranty¹ that covers:

- Repairs at any authorized Cat dealer (not limited to the original selling or servicing dealer)
- Parts and installation labor¹ to replace defective parts, when performed by an authorized Cat dealer
- Resultant damage¹ caused by a covered component to other Cat engine components
- Replacement of engine oil, coolant and filters if contaminated during a failure of a covered component¹

¹Limitations may apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.

RECEIVE MORE VALUE FOR YOUR CORE

Our flexible core acceptance criteria helps you get more for your money. We use simple, visual inspections that don't require special tools or disassembly. That means we can provide a quick decision on core condition and credit, so you don't have to guess about your repair costs.

Receive full core credit² if:

- Fully assembled and complete
- Acceptable Cat part number
- No non-operational or fire damage

If your core has damage listed above, Caterpillar has Upgrade-to-New (UTN) cylinder head options on select engine models³. Full core credit may be available despite damage including:

- If it's an aftermarket (will-fit) brand head⁴
- Unsuccessful salvage attempts, such as milling or grinding
- A broken casting as a result of mishandling
- Fire damage

²Additional guidelines may apply. Contact your authorized Cat dealer for more information.

³Contact your local Cat dealer for model details.

⁴Aftermarket head must be equivalent model to the UTN head being purchased.
