

ENHANCED OPTIONS FOR IMPROVED COMFORT, SAFETY AND PRODUCTIVITY

TOOLBOX KIT

CAT® 304 AND 305 CR MINI EXCAVATORS

Do you want to enhance your Cat® next generation mini excavator with improved comfort, safety or productivity features? Caterpillar offers a wide variety of field-installed aftermarket kits specially developed for Cat mini excavators.

Having your tools and small accessories close at hand on the job site saves time and increases your efficiency – the Toolbox kit for Cat® 304 and 305 CR Mini Excavators provides a convenient toolbox and installation hardware to attach to the front quarter panel of the machine to keep your critical tools and accessories within easy reach. Kit also includes a lock to keep tools secure when not in use.

Available as field-installed kits, the kit includes:

- 290 mm (11.5") long × 177 mm (7") wide × 330 mm (13") deep toolbox
- Mounting hardware
- Brackets
- Lock
