

» CAT® REMAN 3126B/3126E & C7 ENGINES

(US, CANADA, MEXICO)

**GET BACK ON THE ROAD RELIABLY
AND AFFORDABLY**

COMPLETE CAT® REMAN ENGINES
MEET LIKE NEW PERFORMANCE
AND EMISSIONS STANDARDS

Get more for your replacement dollars.

Your engine is the heart of your on-the-road performance. When it's time to replace it, choose the option that gives you more for your money. Cat® Reman 3126B/3126E and C7 engines come fully assembled with the air compressor, main engine wiring harness, electronic control module and all engine sensors included.

Remanufactured to like new standards, Cat Reman engines are dynamometer tested and tuned for increased performance and fuel efficiency — and they're covered by a 36-month, 150,000 miles or 3,600 hours Caterpillar Limited Warranty,¹ plus towing coverage for the first 12 months. The result? You get an engine you can count on at a price you can afford.

FULLY ASSEMBLED ENGINE

36-MONTH WARRANTY

**12 MONTHS TOWING
COVERAGE INCLUDED**

¹ Warranty can vary by model and application; limitations apply.
For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.

RELIABLE PERFORMANCE AT A REDUCED PRICE

1

GET AN ENGINE THAT'S LIKE NEW

When you buy a Cat Reman engine, you get a product that performs like new. At state-of-the-art remanufacturing facilities, the team:

- » Disassembles, cleans and inspects every remanufactured component; applies advanced salvage techniques; and incorporates the latest engineering changes.
- » Replaces all piston rings, rubber parts, springs, seals, gaskets and O-rings with 100% new components
- » Regrinds and polishes crankshaft and journal surfaces
- » Replaces cylinder liners or re-hones cylinder bores to exact dimensions
- » Reassembles the final product using Caterpillar product engineering standards
- » Performs dynamometer testing and turning to ensure every product meets original performance specifications

3

RECEIVE MORE VALUE FOR YOUR CORE³

Get more for your money with our flexible core acceptance criteria. Because we use simple, visual inspections that don't require special tools or disassembly, we can provide a quick decision on core condition and credit. You don't have to guess about your repair costs.

You'll receive full core credit as long as your engine is fully assembled and the cylinder block is not visibly cracked, broken or welded. However, even engines with visibly cracked, broken or welded cylinder blocks are eligible for partial credit.

¹ Warranty can vary by model and application; limitations apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.

² Cost savings based on return of core; core conditions apply.

³ Additional guidelines may apply based on engine model. Contact your authorized Cat dealer for more information.

2

CONTROL YOUR DOWNTIME AND REPAIR COSTS

To keep your expenses and downtime low, Cat Reman 3126B/3126E and C7 engines are priced at a fraction of the cost of new when you return your end of life core.² They're covered by a 36-month, 150,000 miles or 3,600 hours Caterpillar Limited Warranty,¹ plus towing coverage for the first 12 months.

For complete details of the 3126B/3126E and C7 engine warranty, contact your authorized Cat dealer.
