HOW TO GET A VOUCHER OR eGIFT CARD

Simply look in Caterpillar Advantage to find a retailer and choose the amount you want to spend. For example, if you want to spend \$100 at Ampol, pay for your voucher with a debit or credit card and have the voucher ready to use! As Ampol offers a 5%* discount you'll pay \$95 but receive \$100 of value when you shop.

YOUR ONLINE ACCOUNT

Once you log into the Advantage platform, make sure you go to the Account Tab and then to the My Account section to view your settings, and track your savings and cashback!

HOW TO GET CASHBACK

Saving with cashback is so easy! There's hundreds of places to shop and save, including The Iconic, Priceline, Groupon, Expedia and MenuLog just to name a few! Search your retailer, then hit 'click here to earn cashback.' You'll be redirected to the retailer's website where you can make your purchase. Although your purchase will be in full, it will be traced back to a Caterpillar Advantage purchase. Within 3 days a percentage of what you spent will appear as 'Pending' in your Advantage account. Once it's confirmed you can use that discount towards eGift cards!
