

# CAT<sup>®</sup> CVA FOR HOSE AND COUPLING

**CAT<sup>®</sup> CUSTOMER VALUE AGREEMENTS FOR MINING**  
Equipment ownership plans tailored by your Cat dealer for the needs of your operation.

# ADDING THE VALUE YOUR OPERATION NEEDS MOST. THAT'S A CVA.

A Cat® Hose & Coupling (H&C) Customer Value Agreement (CVA) for mining equipment is a hassle-free, total-fleet maintenance management solution for your equipment's hydraulic systems. No matter which level of service you choose, your H&C CVA will deliver improved convenience and uptime at the right cost, with options matched to the needs of your operations.

## Choose from three levels of customizable CVA service:

1. **Convenience** — Your Cat dealer provides parts, supplies, and flexible tooling options. You provide assembly and installation labor.
2. **Performance** — Your Cat dealer assembles your hoses and couplings as needed and provides machine hose and coupling inspections.
3. **Confidence** — Includes complete assembly, inspection, installation, and inventory management services. Your Cat dealer takes care of your H&C needs while you take care of your business.

**Complete inventory management** is included with all levels. Your Cat dealer will make sure that you always have the parts and supplies you need on hand.

**Hydraulics Advisor reports** are also included, providing you with vital information about the status of your hydraulic systems.
