

BUILD YOUR BUSINESS ON OURS

**POWER YOUR WORLD
WITH CATERPILLAR,
YOUR FULL
SYSTEM SUPPLIER**

MAKE MORE OF YACHTING.

AS A FULL SYSTEM SUPPLIER, CATERPILLAR IS WITH YOU ON EVERY VOYAGE.

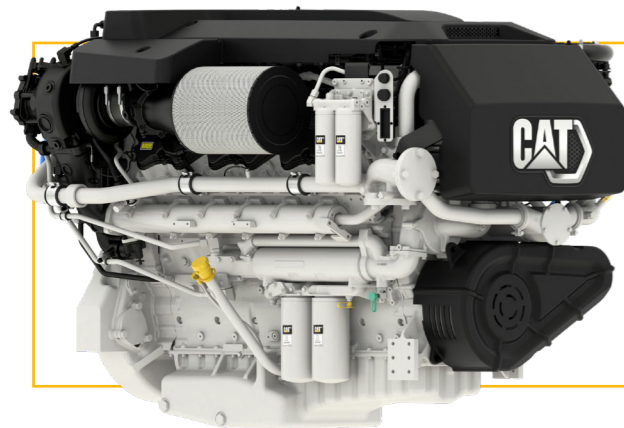

ONBOARD, we supply everything from parts to engines to entire power, propulsion and control systems.

ASHORE, we leverage our vast dealer network to power a truly world-class servicing and support offering, designed to help with any issue, anywhere. It's this seamless integration of engineering excellence and superb support that helps everyone from engineers and captains to owners and shipbuilders.

PROPULSION, PERFORMANCE AND THE CAT® C32B ENGINE

THE CAT® C32B ENGINE OFFERS POWERFUL PERFORMANCE AND VERSATILITY.

NOT ONLY IS THE C32B THE MOST POWERFUL 12-CYLINDER ENGINE IN ITS CLASS, IT'S 25% QUIETER.*

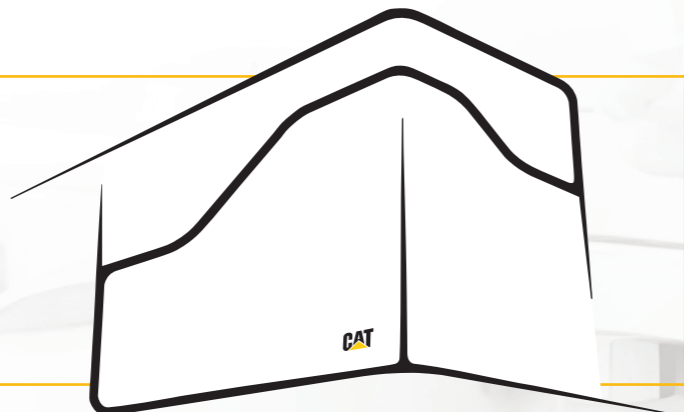

THE C32B MARINE ENGINE is certified to all the major emissions requirements, including EPA Tier 3 recreational, IMO II, RCD II, China II, as well as IMO III. Caterpillar also provides a certified factory SCR (Selective Catalytic Reduction) system.

CHOOSE CAT® POWER SYSTEMS FOR ELECTRICAL ELEGANCE

Cat® marine generator sets are built to provide dependable, efficient service. Ranging from 10kva to 1175kva, our marine generators combine proven designs and manufacturing methods with the latest technology, such as advanced controls, to deliver power when you need it, while offering enhanced monitoring.

Cat® gensets are designed to work hand in hand with, but not limited to, Cat engines to offer an experience of a full power room with seamless integration.

COMING IN 2025
THE CAT® C2.2B
RETHINK POWER

CUTTING-EDGE CONTROL SOLUTIONS FOR YACHTS OF ALL SIZES

The Cat® Marine Propulsion Control (MPC) range of controllers are engineered to be the apex of propulsion control for vessels, especially when powered by Cat engines.

The MPC 100 is optimised for small and medium sized yachts, while the MPC 300 is designed with superyachts in mind – and is Marine Class Society Type-approved.

Robust, responsive and easy to integrate, both the MPC 100 and MPC 300 offer built-in system redundancy along with a variety of configuration options, making them ideal for various powertrain arrangements, across numerous applications.

ENGINEERING EXCELLENCE FROM BOW TO STERN.

Whether you build, maintain, captain or own yachts, we know our engineering expertise powers your world, helping you create an unforgettable yachting experience for all aboard.

GLOBAL REACH, SWIFT SUPPORT.

Our global dealer network and popular Cat® Concierge service **is designed to empower us to help you deal with any obstacle, anywhere, for any need.**

Cat Concierge service gives owners and operators of Cat powered yachts direct, 24 hour, one-call access to a team of Cat marine power experts.

Whether it's a routine oil change or an engine overhaul, Cat Concierge continues to offer the support our yachting customers need, anytime, anywhere.

We're proud to offer the Cat Concierge service as part of our commitment to help every customer keep their Cat® powered yachts on the water, no matter what.

OUR LEGACY POWERS YOURS.

Contact your dealer today to learn about our unique status as a single system solutions supplier, and to discover how we can enhance your yachting experience.
