International Emergency Services

Global medical evacuation and repatriation emergency services

Provided that medical necessity exists, these services will be only provided when the treatment resulting in the emergency medical evacuation or repatriation is covered under the Plan.

All benefits under the International Emergency Services section require prior approval.

Emergency Medical Evacuation

Benefit will be payable:

- for the cost of travel when **treatment** is not available locally; and
- if the medical evacuation has been determined to be **medically necessary**, to prevent the immediate and significant effects of **illness, injury** or conditions which if left untreated could result in a significant deterioration of health and represent a threat to life or limb

The **medical assistance service** will arrange for the transport under proper medical supervision as soon as reasonably practicable.

In all circumstances, **we** must be contacted to obtain **prior approval** for an **emergency** medical evacuation to be covered, and as follows:

- **prior approval** must be obtained from **Cigna Healthcare** before the evacuation takes place
- where it is not reasonably possible for **prior approval** to be requested before the evacuation takes place, approval must be requested within 7 days of the evacuation

Benefit Limit

Paid in Full

Emergency Medical Repatriation

Benefit will be payable:

- for the cost of travel when **treatment** is not available locally; and
- it has been determined to be **medically necessary** for the **patient** to be returned to their country of domicile to prevent the immediate and significant effects of **illness, injury** or conditions which if left untreated could result in a significant deterioration of health and represent a threat to life or limb.

The **medical assistance service** will arrange for the transport under proper medical supervision as soon as reasonably practicable.

In all circumstances, **we** must be contacted to obtain **prior approval** for an **emergency** medical repatriation to be covered, and as follows:

- **prior approval** must be obtained from **Cigna Healthcare** before the repatriation takes place
- where it is not reasonably possible for **prior approval** to be requested before the repatriation takes place, approval must be requested within 7 days of the repatriation

Paid in Full

Assistance in the event of death: Repatriation of Mortal Remains

If the **insured member** dies outside their **country of domicile**, **we** will cover:

- the **medical assistance service** will arrange as soon as reasonably practicable for the return of the bodily remains to the **country of domicile** of the deceased

Paid in Full

In all circumstances, we must be contacted to obtain prior approval for the costs to be covered

Exclusions

As per the exclusions specified in the **policy** Terms and Conditions, Cigna Healthcare will not pay **benefit** for the following **treatment** in relation to medical cover.

a. Allergy Testing and Desensitization: (except testing for allergy towards medications and supplies used in **treatment**); any physical, psychiatric or psychological examinations or investigations during these examinations.

b. Alternative Therapies: that are not considered **medically necessary** or an **orthodox** form of **treatment** in the country where they are incurred. This includes, but is not limited to traditional Chinese medicine, herbal medication, acupuncture, ayurveda, hypnosis, rolfing, aromatherapy, massage, dietary therapy, joint manipulation and meditation. Unless this **benefit** or **treatment** is specifically provided in the **list of benefits**.

c. Any Expenses for Weight Loss Drugs and Slimming Aids: These drugs are not covered even if they are prescribed for weight management by a **medical practitioner** or acknowledged as having therapeutic effects

d. Artificial Life Maintenance: Cigna Healthcare will not pay for non-medical **treatment** or artificial life maintenance including mechanical ventilation for more than ninety (90) consecutive days after a diagnosis of permanent neurological damage.

e. Administration Charges: costs or fees for filling in a claim form or other administration charges.

f. Appliances: including hearing aids, and spectacles which do not fall within Cigna Healthcare's definition of **surgical appliance** and/or **medical appliance**. Unless this **benefit** is specifically provided in the **list of benefits**.

g. Birth Control: **Treatment** needed because of or relating to male or female birth control.

h. Chemical Contamination and Radioactivity: **Treatment** for any medical conditions arising directly or indirectly from chemical contamination, radioactivity or any nuclear material whatsoever, including the combustion of nuclear fuel.

i. Consultations Performed by The Insured Member or A Family Member: Services rendered by any **healthcare provider** who is a relative of the **patient** or the **insured member** themselves.

j. Cosmetic Surgery: Any form of plastic, **cosmetic** or reconstructive surgery or **treatment**, even for psychological reasons, unless it is of **medical necessity** as a direct result of the **patient** having an **accident** or because of other surgery, which itself would have been covered under the **plan**.

k. Dental or Orthodontic Treatment: Unless this **benefit** is specifically provided in the **list of benefits**.

l. Failure to seek or follow medical advice: **Treatment** required as direct result of not seeking or following medical advice.

m. Developmental Disorders: **Treatment** for or in connection with developmental disorders, including but not limited to:

- Developmental reading, arithmetic, language or articulation disorders; or
- Treatment for, or in connection with, non-medical counselling; or
- Ancillary services for learning disabilities, developmental delay, cognitive or developmental disabilities or disorders.

n. Expenses Relating To:

- Routine examinations or tests including health screens and medical examinations except for those included in the plan/s selected.
- Eye tests except for one eye test per year of insurance for a dependant child under the age of seventeen (17) years.

o. Experimental Treatment: any form of experimental **treatment** (or procedure) that does not amount to **orthodox treatment** or does not adhere to the commonly-accepted, customary or traditional practice of medicine in the country where **treatment** is incurred.

p. Routine Eye or Vision Treatment: unless this **benefit** is specifically provided under the **plan/s**.

q. Fertility Treatment: **Treatment** needed because of or relating to infertility or any type of fertility **treatment**, including complications arising out of such **treatment**, with the exception of the investigation of infertility to the point of diagnosis. Please refer to your **plan** benefits to check if this **treatment** is covered or excluded.

- Cigna Healthcare will not pay costs or expenses for the following infertility services:
 - A reversal of voluntary sterilisation; or
 - Infertility services when the infertility is caused by or related to voluntary sterilisation; or
 - Donor charges and services; or
 - Any experimental or investigational infertility procedures or therapies.

r. Funeral Costs: Costs relating to a funeral, ceremony, burial or cremation are not covered.

s. Genetic Screening: Cigna Healthcare does not pay for genetic screening or pre-implantations genetic screening when such screenings are solely performed to determine whether or not the **insured member** or the **insured member's** descendants may be genetically likely to develop a medical condition, unless included in the **list of benefits**.

t. Future Treatment Costs: costs for a **treatment** that has not yet taken place, irrespective of whether advance authorisation has been given or a **prior approval** has been put in place.

u. Hazardous Sports: **Treatment** that arises from or is any way connected with **injury**, sickness or disablement as a result of :

- Taking part in a sporting activity on a professional basis; or
- Solo scuba -diving or scuba diving at depths below thirty (30) metres unless the diver is padi qualified (or equivalent) for that depth and
- Including but not limited to mountaineering, rock or cliff climbing, pot holing, parachuting or piloting

v. Hearing Tests and Hearing Aids: Unless this **benefit** is specifically provided in the **list of benefits**.

w. Hospital Accommodation: costs that are more expensive than those of a standard private room at the same **hospital**. Deluxe or executive rooms or VIP suites are not covered.

x. Home Visits: Unless they are **Medically necessary** after the sudden onset of an **acute illness** that leaves the **insured member** incapable of visiting a **healthcare provider**.

y. Illegal Cover: Cigna Healthcare will not offer cover or pay **benefit** when it is illegal to do so under **applicable laws**. Examples include, but are not limited to, exchange controls, local licensing regulations, sanctions, anti-corruption or trade embargoes.

z. Incidental Costs: Including newspapers, taxi fares, telephone calls, guests' meals and hotel accommodation.

Exclusions

aa. International Emergency Services: Any expenses for international emergency services for emergency evacuation, medical repatriation and transportation costs if:

- Not approved in advance by the medical assistance service; or
- The **treatment** needed is not covered by the plan; or
- In relation to non-emergency, routine or minor medical problems, tests and exams where there is no clear or significant risk of death or imminent serious **injury** or sickness; or
- In relation to a condition which would allow for **treatment** at a future date convenient to the **patient** and which does not require emergency evacuation or repatriation; or
- In relation to medical care or services scheduled for the **patient's** or provider's convenience which are not considered an **emergency**; or
- In relation to any expenses for ship-to-shore evacuations.

bb. Kidney Dialysis: Only **treatment** costs for kidney dialysis will be covered; travel and accommodation expenses in connection with such **treatment** will not be covered.

cc. Laser Eye Surgery: Treatment to change the refraction of one or both eyes, including refractive keratotomy, photorefractive keratectomy and includes the implant of multifocal lenses solely for refractive purposes or following a standard cataract removal unless this **benefit** is specifically provided in the **list of benefits**.

dd. Medical Error: Treatment required as a result of medical error.

ee. Nature cure clinics, health spas and nursing homes.

ff. Non-Medically Necessary: Treatment considered by Cigna Healthcare's Medical Team to not be Medically Necessary.

gg. Non-Prescribed Products: Products purchased without a medical professional's prescription.

hh. Oral and Maxillofacial Surgeries: Treatment for temporomandibular joint disorders, unless administered by a certified oral and maxillofacial surgeon when the treatment is considered **medically necessary**.

ii. Pre- and post-natal classes

jj. Psychiatric Treatment and Care: Cigna Healthcare will not pay for psychiatric, psychotherapy and psychological **treatment** costs for or in relation to relationship counselling, family counselling, academic problems or acculturation difficulties.

kk. Reckless Behaviour / Illegal Acts: treatment resulting from the **insured member's** own act or omission, being a deliberate or reckless exposure to danger (except in an attempt to save human life). This includes, but is not limited to, voluntary participation in bets, gambling, criminal offences or illegal acts, or fights, except in the case of legitimate self-defence.

ll. Residential Stays in a Hospital: Which are arranged wholly or partly for domestic reasons or where **treatment** is not required or where the **hospital** has effectively become the place of domicile or permanent abode.

mm. Routine Footcare: Including the paring and removing of corns and calluses or trimming of nails or thickened or misshapen nails

nn. Routine Physical Exams: Cigna Healthcare will not pay for **routine physical exams** for **dependants** aged six (6) years or under. Cover for **routine physical exams** is subject to the terms and conditions specified in the **plan**. Please refer to the **plan** for coverage details.

oo. Speech and Occupational Therapy: Treatment for, or in connection with, speech and/or occupational therapy unless it:

- Is recommended by a **specialist**;
- And is intended to restore skills which previously existed and have been lost as a result of an acute medical condition;
- And have a reasonable likelihood of being restored.

pp. Stem Cells: Cigna Healthcare does not pay for harvesting or storage of stem cells. For example, ovum, cord blood or sperm storage.

qq. Sterilisation and Contraception: Any form of sterilisation or contraception, including vasectomy.

rr. Subrogation: Costs that have been or can be paid by another insurance company, person, organisation or public programme. If the **employee, spouse or dependant** is covered by other insurance, Cigna Healthcare will only pay its part of the **benefit**. If another person, organisation or public programme is responsible for paying the costs of **treatment**, Cigna Healthcare may claim back any of these costs it has paid under the conditions set forth in Section 2 - Clause VIII of the General Terms and Conditions.

ss. Suicide and Self-Inflicted Injuries: Treatment that arises from or is in any way connected with attempted suicide or any **injury** or **illness** that the **insured member** inflicts upon themselves which exceeds an upper lifetime limit of GBP 100,000 / USD 150,000/ EUR 150,000 per **patient**.

tt. Surrogacy: Treatment directly related to surrogacy. Cigna Healthcare will not pay **maternity benefits** to:

- Anyone who acts as a surrogate; or
- Anyone else acting as a surrogate for an **insured member**.

uu. Termination of Pregnancy: Treatment by way of the intentional termination of a pregnancy, unless two **medical practitioners** certify in writing that the pregnancy would endanger the life or mental stability of the mother.

vv. Treatment outside the selected area of coverage: If one of the reasons the **patient** travelled was for that **treatment**, except if the **medical assistance service** has arranged emergency evacuation or medical repatriation.

ww. Travel Costs: Any form of non-emergency travel costs where Cigna Healthcare has not requested the **insured member** to travel to their **home country** for **treatment**.

xx. Vitamins and Minerals: Products classified as vitamins or minerals (except during pregnancy or to treat diagnosed, clinically significant vitamin deficiency syndromes) and supplements including, but not limited to, special infant formula and cosmetic products, even if medically recommended, prescribed or acknowledged as having therapeutic effects.

yy. War and Terrorism: Injury or disability directly or indirectly caused or contributed to whilst engaging in or taking part in a war, invasion, act of terrorist activities, rebellion (whether war has been declared or not), civil war, commotion, military or usurped power, martial law, riot or in the act of any lawfully-constituted authority, or while an **insured member** is carrying out army, naval or air services operations, whether or not war has been declared.

Definitions

The words and phrases set out in bold have the below specified meaning. Where those words and phrases are used with those meanings, they will appear in bold italics format in the ***insured member*** documentation.

Unless otherwise provided, the singular includes the plural and the masculine includes the feminine, and vice versa

Accident - Any bodily injury not intended by the person who suffered it, resulting from sudden action by an external cause. It is the insured member's responsibility to provide proof of the accident and the direct cause-and-effect relationship between the accident and the costs incurred.

Acupuncture - Branch of traditional Chinese medicine which consists of inserting needles into specific points on the patient's body to relieve various illnesses or to create an analgesic effect

Acute - A disease, illness or injury that is likely to respond quickly to treatment which aims to return you to the state of health you were in immediately before suffering the disease, illness or injury, or which leads to your full recovery.

Alternative Therapies - Refers to complementary and alternative medicine, which may be used in conjunction with orthodox treatment, for which there is also scientific evidence of safety and effectiveness, as defined by the us national center for complementary and alternative medicine (NCCAM).

Appropriate Age Intervals - Birth, two (2) months, four (4) months, six (6) months, nine (9) months, twelve (12) months, fifteen (15) months, eighteen (18) months, two (2) years, three (3) years, four (4) years, five (5) years and six (6) years.

Benefit - Any medical, optical or dental benefit shown in the list of benefits.

Chiropractic - Therapeutic approach which aims to treat a variety of conditions by manipulation.

Chronic a disease, illness, or injury that has one or more of the following characteristics:

- it requires ongoing or long-term monitoring through consultations, examinations, check-ups, and/or tests
- it requires ongoing or long-term control or relief of symptoms
- it requires rehabilitation or for you to be specially trained to cope with it
- it continues indefinitely
- it has no known cure
- it comes back or is likely to come back.

Cigna Healthcare or The Insurer or We/Our - Means the insurance company underwriting the risks covered by the policy.

Co-Insurance - A set amount or percentage of the costs of treatment required to be paid by the insured member for treatment which is covered under the plan.

Congenital - A condition present at or prior to birth, whether inherited, caused by the uterine environment, or occurring during the process of childbirth.

Cosmetic - Services, procedures or items that are supplied only for aesthetic purposes, including those for dental treatment, which are not needed in order to maintain an acceptable standard of oral health.

Day-Case - Admission to a specialty clinical care that requires supervised recovery in the place of treatment which does not extend overnight

Dental Injury - A physical injury to the teeth, gums, alveolar bone or soft tissue of the mouth

Dependant - The insured member's unmarried children, whose names have been provided to Cigna Healthcare prior to the commencement of any treatment, but only if those persons are aged twenty-six (26) or under, either in full-time education or residing at the same residence as the insured

member at the commencement of any treatment.

- Eligible dependants include step-children, legally adopted children and children under a primary care when the insured member provides appropriate evidence of the fact that the child is now their dependant.
- The insured member must apply to us within 30 days of the effective date of the adoption or fostering for the child to be covered.

Doctor - A person holding a degree of doctor of medicine who is authorised to practice medicine under the laws of the country where the treatment is administered, within the limits of the licence they have been granted.

Emergency / Emergency Treatment - Refers to the medical condition or symptoms resulting from an illness or injury occurring suddenly and which clearly requires immediate treatment, usually within twenty-four (24) hours of onset, without which there would be a risk of endangering the health of the affected person, and/or creating a serious risk of substantial and irreversible impairment of a major bodily function.

Only medical treatment through a physician, medical practitioner or specialist and hospitalisation that commences within twenty-four (24) hours of the emergency event will be covered.

Employee - Any member of staff of the client who is eligible to be covered under the plan.

Fertility Treatment - Methods of medically-assisted reproduction, also known as medically-assisted procreation, enabling a person previously diagnosed as infertile to have a child.

Healthcare Provider - Any individual or organisation which is registered or licensed as a medical or surgical healthcare provider in the country in which it is located. The following are not classed as healthcare providers: wellness and fitness centres, spas, nursing homes, retirement homes and convalescent homes.

Home Nursing - Visits from a nurse to the insured members home to give expert nursing services.

Homeopathy - Therapeutic method consisting of prescribing a highly diluted and energised form of a substance capable of producing similar symptoms to those experienced by the patient.

Hospital - Any institution which is registered or licensed as a medical or surgical hospital in the country in which it is located. The following are not classed as hospitals: wellness and fitness centres, spas, nursing homes, retirement homes and convalescent homes.

Illness - Any deterioration in the state of health certified by a competent medical authority.

Injury - A physical damage done to a person or a part of their body.

In-patient - A patient who stays overnight in hospital while undergoing treatment.

Insured Member Or You/Your - Refers generically to the employee, spouse and/or dependant covered under the plan. The insured member receives the benefits provided by Cigna Healthcare in respect of claims made and covered under the plan.

Intensive Care - Refers to a specialised hospital department the purpose of which is to care for patients in a critical condition, that is, who are presenting with failure of one or more of their vital functions or who are at risk of developing severe complications. the service has highly-specialised

Definitions

technical resources. These are in continuous use by a multidisciplinary team in order to identify, prevent and correct acute and presumable reversible imbalances related to the underlying condition (illness, surgery, trauma and intoxication). This type of facility includes intensive care units, critical care units, intensive therapeutic services units or intensive treatment units.

Maternity Benefit - All aspects of pregnancy or childbirth for any employee or spouse covered under the plan, including:

- **routine maternity benefits:** pregnancy and childbirth costs which are medically necessary including, but not limited to, pre- and post-natal care, hospital charges and specialist fees.
- Caesarean sections which are not medically necessary will be covered up to the cost of a routine delivery.
- **complicated maternity benefits:** costs related to complications of pregnancy and childbirth including but not limited to,
 - diabetes, eclampsia, foetal distress during labour, retained placenta and postpartum haemorrhage. caesarean sections which are medically necessary will be covered under the complicated maternity benefit.
- **newborn care:** meaning routine examinations and screenings including but not limited to bcg, hepatitis b and neo-natal screening test, (phenylketonuria (pku), congenital hypothyroidism, sickle cell screening, congenital adrenal hyperplasia).
- coverage for newborn care will be applied if eligible and effective up to 10 days from birth for routine treatment. Additional medical treatment required beyond the 90 days will only be covered if the newborn is added to the plan.

Medical Appliance - See the surgical appliance definition.

Medical Assistance Service - A service which provides medical evacuation, assistance and repatriation, as well as medical advice and/or co-ordination before and during an evacuation or repatriation event.

Medically Necessary - Has the same meaning as medical necessity.

Medical Necessity - Medically necessary covered services and supplies are those determined by the medical team to be:

- required to diagnose or treat an illness, injury, disease or its symptoms;
- orthodox, and accepted as standard practice as supported by evidence based medicine guidelines worldwide;
- clinically appropriate in terms of type, frequency,
- extent, site and duration;
- not primarily for the convenience of the patient, physician or other health care provider; and
- rendered in the least intensive setting that is appropriate for the delivery of the services and supplies.

Where applicable, the medical team may compare the cost-effectiveness of alternative services, settings or supplies when determining the least intensive setting.

Mental Health Care - Treatment of mental health disorders, addictions or alcoholism considered medically necessary and approved by Cigna Healthcare as being evidence based treatment. Psychotherapy treatment (on an in-patient or out-patient basis) is only covered where the insured member is initially diagnosed by a psychiatrist and referred to a registered psychotherapist for further treatment.

Mental Health Disorder - Any acute mental or psychological disorder or combination of disorders relating to excessive or unhealthy levels of anxiety, depression, panic or stress. The disorder can be reasonably diagnosed, managed, relieved or cured by evidence based treatment. This can include a diagnosis of obsessive compulsive disorder or post-traumatic stress disorder.

Oral Health - The practice of keeping the oral cavity clean and free of disease and other problems.

Orthodontic - Dental specialty dedicated to the correction of improper positioning of the jaws and teeth in order to optimise the closure of the

mouth (occlusion), to ensure proper functioning and alignment.

Orthodox - A procedure or treatment that is medically accepted in the country where treatment is incurred at the time of the commencement of the procedure or treatment, in that it accords with that upheld by a respectable, responsible and substantial body of medical opinion, experienced in the particular field of medicine.

Osteopathy - A system of complementary medicine involving the treatment of medical disorders through the manipulation and massage of the skeleton and musculature.

Out-Patient - Treatment which does not require a stay overnight in hospital for either consultation with a medical practitioner or for treatment.

Palliative - Treatment offered for end-stage of a terminal illness with a life expectancy of less than six (6) months that no longer attempts to alter the condition's growth or progression but is given to alleviate symptoms.

Patient - The insured member who undergoes treatment.

Physiotherapy - All treatment dispensed by a licensed physical therapist for which a doctor's prescription is issued before the start of treatment.

Policy - The general terms and conditions, the policy schedules and the insured member documentation, together with any endorsements or subsequent variations.

Private Ambulance - A purpose-built vehicle operated as an ambulance by a recognised private ambulance service.

Prior Approval - The requirement to obtain prior authorisation from Cigna Healthcare, when indicated in the plan, to access certain benefits. Once approved, Cigna Healthcare will issue a guarantee of payment to the treating hospital.

Specialist - A doctor who has

- received advanced specialist training;
- practices a particular branch of medicine or surgery; and
- holds or has held a consultant appointment in a hospital or an appointment which Cigna Healthcare accepts as being of equivalent status.
- A physiotherapist who is registered or licensed as such under the laws of the country, state or other regulated area in which the treatment is provided is only a specialist for the purpose of physiotherapy as described in the list of benefits.

Spouse - The employee's legal husband or wife, or unmarried or civil partner Cigna Healthcare has accepted and who can benefit from cover under the plan.

Surgical Appliance or Medical Appliance -

- **Surgical appliances** are those which are required for a surgical procedure, including, but not limited to, pacemakers and valve replacement appliances.
- **Medical appliance** refers to any device which is prescribed and medically necessary to enable the insured member to function to a capacity consistent with everyday living were reasonably possible, including, but not limited to, insulin pumps and prostheses.

Treatment - Medical treatment: refers to any surgery or medical treatment performed by a medical practitioner, considered to be medically necessary, in order to diagnose, cure or alleviate an illness or injury.

Vaccinations - Refers to all vaccines and boosters required by the health authorities of the country in which the vaccination is administered and any medically required vaccinations for travel to a foreign country. The cost of the consultation and the purchase of the vaccine are included.

Exclusions

In addition to the exclusions specified in the exclusions section of the policy Terms and Conditions, **Cigna Healthcare** will not pay **benefit** for the following **treatment** and extras in relation to the **Cigna Healthcare** dental cover:

a. **Benefit** is not payable for **treatment** which:

- is purely **cosmetic**; or
- is not necessary for continued **oral health**

b. **Benefit** is not payable for the following procedures, services or items:

- replacing any dental appliance which is lost or stolen;
- replacing a bridge, crown or denture which is or can be made useable according to a standard acceptable to a **dentist** of ordinary competence and skill in the country where **treatment** is incurred;
- replacing a bridge, crown or denture within five (5) years of original fitting unless:
 - the replacement is needed because of the placement of an original opposing full denture or extraction of natural teeth is needed; or
 - the bridge, crown or denture, while in the mouth, has been damaged beyond repair because of an **injury** the **employee, spouse** or their **dependant** receives while covered under the **plan**
- procedures and materials which are experimental, or which do not meet accepted dental standards;
- instruction for plaque control, oral hygiene and diet;
- procedures, services and supplies which are deemed by **Cigna Healthcare** to be medical procedures, services and supplies including mouthwashes and also including services and supplies provided in a **hospital** (except where **dental treatment** is neither wholly nor partly the reason for the stay in **hospital**);
- **orthodontic treatment** for **employees, spouse** and/or **dependants** who are over the age of eighteen (18)
- **orthodontic treatment** will only be paid for **dependent** children who are under the age of eighteen (18)

In this case, the **insured member** must send the following information prepared by the **dentist** who is to carry out the proposed **treatment** to **Cigna Healthcare** before **treatment** starts, so that **Cigna Healthcare** can confirm how much **benefit** will be payable

Benefit will be payable only if **Cigna Healthcare** has confirmed cover before **treatment** starts:

- a full description of the proposed **treatment**;
- X-rays and study models;
- an estimate of the cost of the **treatment**
- bite registration, precision or semi-precision attachments;
- procedures, appliances or restorations (except full dentures) whose main purpose is to: change vertical dimensions; or
- diagnose or treat conditions or dysfunction of the temporomandibular joint; or
- stabilise periodontally involved teeth; or
- restore occlusion.
- major **treatment** on **deciduous** or baby teeth for **dependant** children

Definitions

The words and phrases set out in bold have the below specified meaning. Where those words and phrases are used with those meanings, they will appear in bold italics format in the ***insured member*** documentation.

Unless otherwise provided, the singular includes the plural and the masculine includes the feminine, and vice versa

Benefit - Any medical, optical or dental benefit shown in the list of benefits

Cigna Healthcare or The Insurer or We/Our - Means the insurance company underwriting the risks covered by the policy.

Co-Insurance - A set amount or percentage of the costs of treatment required to be paid by the insured member for treatment which is covered under the plan.

Cosmetic - Services, procedures or items that are supplied only for aesthetic purposes, including those for dental treatment, which are not needed in order to maintain an acceptable standard of oral health.

Dental Injury - A physical injury to the teeth, gums, alveolar bone or soft tissue of the mouth

Dental Surgery Refers to any dental surgical procedure with anaesthesia, including dental extraction and bone or gum grafts.

Dentist A dentist, dental surgeon or dental practitioner who is registered or licensed as such under the laws of the country, state or other regulated area in which the **treatment** is provided.

Dependant - The insured member's unmarried children, whose names have been provided to Cigna Healthcare prior to the commencement of any treatment, but only if those persons are aged twenty-six (26) or under, either in full-time education or residing at the same residence as the insured member at the commencement of any treatment.

- Eligible dependants include step-children, legally adopted children and children under a primary care when the insured member provides appropriate evidence of the fact that the child is now their dependant.
- The insured member must apply to us within 30 days of the effective date of the adoption or fostering for the child to be covered.

Employee - Any member of staff of the client who is eligible to be covered under the plan.

Hospital - Any institution which is registered or licensed as a medical or surgical hospital in the country in which it is located. The following are not classed as hospitals: wellness and fitness centres, spas, nursing homes, retirement homes and convalescent homes.

Injury - A physical damage done to a person or a part of their body.

Insured Member Or You/Your - Refers generically to the employee, spouse and/or dependant covered under the plan. The insured member receives the benefits provided by Cigna Healthcare in respect of claims made and covered under the plan.

Medically Necessary - Has the same meaning as medical necessity.

Medical Necessity - Medically necessary covered services and supplies are those determined by the medical team to be:

- required to diagnose or treat an illness, injury, disease or its symptoms;
- orthodox, and accepted as standard practice as supported by evidence based medicine guidelines worldwide;
- clinically appropriate in terms of type, frequency,
- extent, site and duration;
- not primarily for the convenience of the patient, physician or other health care provider; and
- rendered in the least intensive setting that is appropriate for the delivery of the services and supplies.

Where applicable, the medical team may compare the cost-effectiveness of alternative services, settings or supplies when determining the least intensive setting.

Oral Health - The practice of keeping the oral cavity clean and free of disease and other problems.

Orthodontic - Dental specialty dedicated to the correction of improper positioning of the jaws and teeth in order to optimise the closure of the mouth (occlusion), to ensure proper functioning and alignment.

Orthodox - A procedure or treatment that is medically accepted in the country where treatment is incurred at the time of the commencement of the procedure or treatment, in that it accords with that upheld by a respectable, responsible and substantial body of medical opinion, experienced in the particular field of medicine.

Prior Approval - The requirement to obtain prior authorisation from Cigna Healthcare, when indicated in the plan, to access certain benefits. Once approved, Cigna Healthcare will issue a guarantee of payment to the treating hospital.

Spouse - The employee's legal husband or wife, or unmarried or civil partner Cigna Healthcare has accepted and who can benefit from cover under the plan.

Treatment - Medical treatment: refers to any surgery or medical treatment performed by a medical practitioner, considered to be medically necessary, in order to diagnose, cure or alleviate an illness or injury.

Vision Benefits

Vision Care

One eye examination **per year of insurance** by an Optometrist or an Ophthalmologist

Expenses For:

- lenses to correct vision;
- eyeglass frames;
- prescription sunglasses

Benefit Limit

Paid in Full

**Up to £150
per year of insurance**

Important Note:

All monetary limits are **dependant** on the currency of **your policy** and are based on the contractual agreement between **Cigna Healthcare** and **your** employer.

The first 2 digits of **your** membership number determines **your** monetary limits, e.g., If the first two digits of **your** membership number are:

- 82 - all monetary limits apply in Euros.
- 85 - all monetary limits apply in US Dollars.
- 88 - all monetary limits apply in Sterling.

Example:

Policy currency = Sterling

Benefit limit €7,500/ \$7,500/ £5,000 Claim incurred = \$9,000

The claim shall be converted to sterling and the resulting sterling amount offset against £5,000 for payment.

Exclusions

In addition to the exclusions specified in the exclusions section of the policy Terms and Conditions, **Cigna Healthcare** will not pay **benefit** for the following **treatment** and extras in relation to the **Cigna Healthcare** vision cover

- a. Payment for more than one eye examination in any one **year of insurance**
- b. Sunglasses, unless medically prescribed
- c. Medical or surgical **treatment** of the eye, unless this **benefit** is specifically provided in the **list of benefits**
- d. Lenses which are not a **medical necessity** and are not prescribed by an optometrist or ophthalmologist or frames for such lenses
