

# THE PERFECT MATCH

Cat® Large Motor Graders are designed to support Cat Mining Trucks in fewer passes

MODEL MOLDBOARD	770 772 773 — 40-80 ton —			775 777 — 80-120 ton —		785 789 — 120-180 ton —		793 794 <sub>AC</sub> 796 <sub>AC</sub> 797 798 <sub>AC</sub> — 180+ ton —					
	14 4.2 m / 14 ft	5	5	6									
14 4.9 m / 16 ft	4	4	5	5	7								
16 4.9 m / 16 ft			5	5	6	6	6						
16 GC 4.9 m / 16 ft			5	5	6	6	6						
18 5.5 m / 18 ft					5	5	5	6					
24 7.3 m / 24 ft								4	5	5	6	6	6
24 8.5 m / 28 ft								4	5	5	5	5	5

NOTE: May not be applicable in all applications depending on haul road condition and damage. Matching based on moldboard width, machine weight, blade down pressure, engine power, and machine structures. Rule of thumb, haul road width is 2.5 times the truck width.

Passes required to maintain grade
