

CAT[®] CVA FOR GROUND ENGAGING TOOLS (GET)

CAT[®] CUSTOMER VALUE AGREEMENTS FOR MINING

Equipment ownership plans tailored by your Cat dealer for the needs of your operation.

KEEPING YOUR OPERATION EFFICIENT AND PRODUCTIVE. THAT'S A CVA.

A Cat® Ground Engaging Tool & Bucket Customer Value Agreement (CVA) for mining equipment is a hassle-free replacement and rebuild solution for your entire mining fleet. With three levels of service to choose from, your CVA will make sure you have the buckets, GET, and wire rope you need on hand, with options matched to your operation and productivity goals.

Choose from three levels of customizable CVA service:

1. **Convenience** — With one-year coverage, your Cat dealer provides pay-per-consumption pricing that includes complete inventory management, wear package and lip rebuild advice, as well as GET removal and installation instructions and optional operation and maintenance training.
2. **Performance** — With up to three years of coverage, you can add lip rebuilds, inspections, and reports by the dealer, with customized recommendations.
3. **Confidence** — With this comprehensive offer, you can receive cost-per-ton or cost-per-hour pricing that includes total bucket rebuilds and bucket availability.

Complete inventory management is included with all levels. Your Cat dealer will make sure that you always have the GET, buckets, and wire rope you need on hand.

Zero unplanned maintenance costs help you budget GET, bucket rebuilds, and replacements.
