

# UNMATCHED EFFICIENCY & CONVENIENCE

## How Parts.cat.com and Cat® Central Lead in Online Parts Buying

Parts.cat.com and Cat® Central have revolutionized the online parts buying experience for Cat® customers. Together, these platforms create a convenient and reliable shopping experience for Cat customers, making them the go-to choice for professional and retail customers alike.

### PARTS.CAT.COM

### CAT® CENTRAL

#### SAVE YOUR EQUIPMENT

Add your equipment's model or serial number and easily find the right parts with a factory fit.

#### MORE TIME SHOPPING, LESS TIME FINDING

Feel empowered to do it yourself with a quick search for recommended parts and instruction kits.

#### CHECK OUT REAL-TIME PRICING & AVAILABILITY

Gain instant access to real-time product pricing and availability directly online or in the app

#### STREAMLINE THE ORDER PLACEMENT PROCESS

Lock in pricing for a set number of days by requesting and placing a quote with a local dealer.

#### TAKE CONTROL OF YOUR CAT® ACCOUNTS

Create and manage your accounts, view order history, and store payment options for fast reordering.

#### ASK THE EXPERTS

Offers industry expert support 24/7 for any question or problem.

# A SOLUTION FOR EVERY CUSTOMER

With your Cat® equipment and the right tools, you can take on any job. These digital tools are designed to help maximize uptime and make Cat equipment easy to own.

Parts.cat.com and Cat Central can help improve machine performance by making it easy to find genuine Cat® parts that fit and take the guesswork out of repairs – no matter the size of your company or fleet. Keep doing the work that needs to be done, knowing you have the right tools whenever you need them.

## NUMBER OF MACHINES

### CAT® CENTRAL

**Perfect for On-the-Go Customers** | Adds a new level of convenience for customers who need parts shopping and support on-the-go, thanks to the app's intuitive user interface. Makes it easy to manage and shop parts for any small fleet size.

**Asset QR\* Code Scanning** | Simply scan an asset's QR Code and instantly access verified-to-fit parts or save equipment details, designed to ensure you get the right part every time.

**Fault Code Lookup** | Search for thousands of CDL and J1939 fault codes while out in the field to see their descriptions and severity. More telematic data will be available soon!

### PARTS.CAT.COM

**Service Support** | Get the right parts to perform repairs or upcoming maintenance tasks with access to Service Information System (SIS) and Parts Diagrams.

**Personalized Homepage** | Customize your business and personalize what you want to see when you shop, ensuring the fastest checkout possible.

**Advanced Pro Features** | Take advantage of key functionalities for frequent buyers that contribute to cart creation, advanced purchasing flows, and sustainable benefits.
