A1.00% Finance rate is available to Australian business owners that hold an ABN and, in the case of individuals, are Australian residents over the age of 18. Available at participating Cat dealers within Australia. Qualifying new Caterpillar models fitted with Cat® attachments can be financed with a fixed interest rate starting as low as 1.00% by way of a 36-month amortising term loan with deposit of 20%. Changes to Deposit, duration, or addition of third-party attachments may alter this rate. All loans are subject to credit approval by Caterpillar Financial Australia Limited (ABN 70 006 711 585). Fees and charges apply. Finance offer available from 01/02/2025 until 30/09/2025.

*Weekly costs are an estimate based on Caterpillar's manufacturer suggested resale price (MSRP) in Australia including finance at 1.00% over 36 months or 3.99% over 60 months with 20% upfront deposit, inclusive of GST and stated in AUD. The MSRP is a non-binding suggested resale price, and Cat dealers may elect to offer a different price, which may be lower or higher. The estimate includes an allowance for stated machine, couple and Bucket(s) (based on the MSRP), 36 months extended Protection Plan (EPP) and estimated dealer make-ready costs. The specific amounts of those costs are determined by Cat dealers in their sole discretion. Exact machine configuration held by Cat dealers may vary, and that may also affect the package price. Stock is limited and subject to availability. Available at participating Cat dealers within Australia.
