

TOWHAUL

REAR-LOADING LOWBOY TRAILER

Overview

Located in Belgrade, Montana, with equipment impacting mining operations on six continents, TowHaul has built a reputation for unmatched engineering and quality on the back of nearly 50 years of industry leadership.

Led by the rugged TowHaul Lowboy and Multi-Purpose Gooseneck, TowHaul equipment is designed to perform in the most remote environments and challenging conditions around the globe, ensuring reliability and efficiency for operators and mine sites alike.

CATERPILLAR OEM SOLUTIONS

REAR-LOADING LOWBOY TRAILER

The TowHaul Rear-Loading Lowboy is purpose-built for rugged conditions, making it an excellent choice for dozers and small drills.

Its compact and agile design ensures compatibility with various prime movers, such as articulated dump trucks, and heavy-duty over-the-road trucks.

Notably, this lowboy features a low-profile loading angle and exceptional ground clearance, enhancing its versatility and efficiency. Whether you're navigating challenging terrains or transporting heavy equipment, the TowHaul Rear-Loading Lowboy delivers reliable performance.
