

GROUND FORCE WORLDWIDE

CABLE REELER ATTACHMENT FOR WHEEL LOADERS

Overview

Ground Force Worldwide designs and builds a diverse line of open pit mine support equipment. Headquartered in Post Falls, Idaho, their global operation spans four factories in North America, South America, Kazakhstan and India. They have trucks operating in more than 70 countries worldwide.

Ground Force Worldwide trucks are sold, serviced, and supported through Cat® dealers globally.

CATERPILLAR OEM SOLUTIONS

CABLE REELER ATTACHMENT FOR WHEEL LOADERS

Ground Force offers multiple solutions for safely and precisely moving electric cable at your mine site. Heavy-duty cable management attachments from Ground Force are engineered to work with most wheel loaders and dozers. The forward-facing attachment vastly improves precision and safety for operators.

With simple, intuitive in-cab controls, unobstructed visibility, and reach that surpasses industry standards, Ground Force cable reeler attachments ensure the most efficient and effective way to manage your electric cable.

CAT® MODEL COMPATIBILITY:

» Cat 924, Cat 980, Cat 982, Cat 988

OEM CONTENT:

» Cable reeler attachment with excavator-style boom
» In-cab controls
