Estate Tax Exclusion 2025: **\$13,990,000**

Common Estate Planning Techniques

Beneficiary Designations

Name beneficiaries to retirement accounts and insurance policies directly

Guardianship

Instructions on who will care for your children or other dependent after your death

Power of Attorney

Legal document where the Principal designates an Agent to legally act on their behalf

Transfer on Death & Payable on Death

Name beneficiaries to taxable investment and bank accounts

Wills

Simple document outlining your wishes to the court

Living Wills

Legal document outlining your wishes for medical treatment if you are unable to make decisions

Property titling

Holding title on property such as joint tenants with rights of survivorship can allow for easy transfer of property interest

Trusts

Independent legal entity. Provides control and flexibility to managing estate
