

Electric Power Parts and Service CAT® REMAN

FREQUENTLY ASKED QUESTIONS

CAT REMAN GENERATOR ENDS

What coverage is available for Cat® Reman generator ends?

Cat Reman coverage for generator ends in electric power complements the complete engines, short blocks, and long blocks currently offered.

It provides you with additional repair options and quicker turnaround time to get your gensets back up and running.

What Cat Reman generator ends are offered?

Available Cat Reman generator ends support diesel, gas, and rental gensets in both 50 and 60 Hz applications.

Cat Reman Generator Ends Features

All: Designed specifically to match operation with Cat engines

SR4B: 6 pole available on 800 frame

SR5: Insulated ball bearings (longer life/lower repair cost)

Since generator ends are not serviceable, are Cat Reman generator ends available through the dealer?

Yes, Cat Reman generator ends are a drop-in solution so you can avoid the lengthy processing time required by a generator rewind shop.

Why should I buy Cat Reman generator ends?

- Cat Reman generator ends are 100% designed and tested to perform like new.
- Critical engineering updates are incorporated to original equipment manufacturers' specifications.
- ISO 9001 compliant remanufacturing processes ensure consistent, like-new quality.
- Cat Reman generator ends come with a same-as-new Caterpillar Limited Warranty* and are sold at a fraction of the cost of new with core return.
- Cat Reman generator ends are a drop-in solution that will fit into the original terminal box for equivalent part numbers for quicker turnaround, reducing customer downtime.
- All are shipped without a terminal box, providing more flexibility for your application.

**Warranty can vary by model and application; limitations apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.*

ADDITIONAL INFORMATION

Who do I contact for questions regarding Cat Reman products?

Please contact your local Cat dealer.

How do I order a Cat Reman product?

Cat Reman generator ends can be ordered through your local Cat dealer.

What warranty applies to Cat Reman products?

All Cat Reman generator ends are covered by a same-as-new Caterpillar Limited Warranty* against Caterpillar defects in material and/or workmanship.

**Warranty can vary by model and application; limitations apply.*

For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.

What is the Core Acceptance Criteria for Cat Reman generator ends?

Our simple Core Acceptance Criteria** allows a quick assessment of your core credit. Your dealer visually inspects the core when you bring it in, providing an immediate decision on condition and credit, so you don't have to wait for – or guess – the repair costs.

***Additional requirements apply. Contact your authorized Cat dealer for more information.*
