

QMW INDUSTRIES

SERVICE VEHICLES

Overview

Based in Acacia Ridge, Queensland, QMW was established in 1984 as a family owned business specialising in certified pipe welding. Since then, the company has built its reputation on setting the standard when it comes to safety solutions in the gas, construction, mining, transport, earthmoving, and forestry sectors.

QMW SERVICE VEHICLES

Their range of Fuel Lube Service (FLS) modules are designed to fit a variety of makes and models of articulated and off-highway trucks. They are fabricated by high-quality tradespeople for optimal efficiency and ease of use in line with end-users requirements.
