

Same Workflow, Same Reliability A Smoother Way to Shop CAT® IP PUNCHOUT

A MORE INTUITIVE WAY TO PUNCH OUT

For over 20 years, customers have relied on Cat® Integrated Procurement (or Cat IP) Punchout to efficiently populate purchase requisitions. With seamless access to Punchout, a supplier-hosted catalog maintained by a local Cat dealer, customers can return shopping cart items directly to their procurement system without placing an order upfront. Today, Punchout offers the same trusted, easy-to-use functionality with a refreshed, modern interface and a few new tools – making it even easier to shop the way you already do.
