

FORTIS™

PURO DESIGN ITALIANO

LUXURY FAUCETS

— FOR ANY PROJECT'S BUDGET —

FORTIS' CORE Portfolio is designed to ensure that you have the right style and the right product to fit any project's budget. Always delivering great design at a budget friendly cost, FORTIS is your source for on-trend designs at an excellent value.

OUR BEGINNING

FORTIS is 100% crafted in Italy, the inspiration for the full range of products from the high fashion elegance of the Brera Collection to the modern styling of the Vitrina Collection. Each piece references the heritage and craftsmanship unique to the FORTIS family and the Italian tradition.

THE FORTIS FAMILY

The FORTIS family was founded in postwar Italy when Mario Paini, the FORTIS founder and president began apprenticing at a small workshop, producing faucet components. As a spirited entrepreneur, Mario embarked on a journey to realize his vision of becoming a global leader.

OUR DESIGN APPROACH

FORTIS manufacturing is a unique combination of the traditional and the modern. Cutting-edge techniques with modern robotics ensure that each faucet performs to the highest standards in the industry, while each product is hand inspected, to ensure that our most discerning clients will have an unparalleled experience with each FORTIS design.

BRERA

COLLECTION

The cultural hub of Milan and home of the Accademia di Belle Arti, Brera is celebrated by artists, poets and writers alike for its collection of boutique shops and art inspired by Neoclassical Renaissance dating back to the 17th century.

ABRUZZO & SCALA

COLLECTION

The Abruzzo region is known as “forte e gentile” or “strong and gentle” for its green hills and tall mountains making this picturesque local a perfect inspiration for our newest collection.

The pride of Milan, La Scala is the world renowned opera house with its storied stage graced by the prestigious Italian composers Vincenzo Bellini and Giuseppe Verdi.

VITRINA

COLLECTION

The Vitrina Collection was inspired by the flowing shape of seagulls in flight. In the lake district of Northern Italy, seagulls will follow the small boats each day as they leave the dock to fish for the daily catch.

CERTIFICATIONS

NSF LEAD-FREE CERTIFIED

All lavatory and kitchen products meet US standard requirements for products that can be used for drinking water and the new lead reduction requirements

MEETS EPA WATERSENSESM STANDARDS

All lavatory faucets comply with EPA WaterSense requirements. These products will improve water efficiency by 30% (versus traditional faucets that are 2.2 gpm) without sacrificing performance

CEC COMPLIANT

All lavatory and kitchen products featuring the leaf logo meet the requirement of the California energy commission

CSA COMPLIANT

All lavatory, kitchen and shower products are tested and certified by nationally recognized and accredited testing laboratory, CSA International

CALGREEN COMPLIANT

All products featuring this logo meet Cal Green certification standards

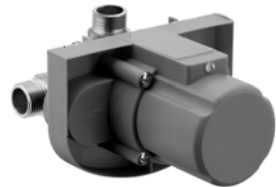

ADA COMPLIANT

All products featuring this logo are compliant to the ADA guidelines
