SKI SIDE CONFERENCE SEATING

SKI SIDE CONFERENCE SEATING

Barbara Barry has created an extensive collection of seating and occasional tables reflecting her signature style – simplicity of line and purity of form – combined with HBF's quality construction. Distinctive architectural features with a refined sense of modern elegance provide luxurious aesthetics for today's interiors. Ski side or guest chair replicates the architectural profile of the lounge seating; providing a chair that works together with other pieces in the collection or as a simple accent piece.
