WEDGE LOUNGE SERIES

WEDGE LOUNGE SERIES

Barbara Barry has created an extensive collection of seating and occasional tables reflecting her signature style – simplicity of line and purity of form – combined with HBF's quality construction. Distinctive architectural features with a refined sense of modern elegance provide luxurious aesthetics for today's interiors. Wedge lounge seating features tight upholstery resting upon a plinth of maple wood that amplifies the low datum line of this grouping.

02 The precise detailing of Wedge lounge seating is exemplified by a top-stitched detail on the chair and sofa.

The epitome of luxurious design, Wedge sofa and chairs are shown upholstered in leather from HBF Textiles supported by the beautifully sculpted maple wood base finished in Espresso.
