Product Overview

HBF Lounge Seating

Fulton Lounge + Rocker pairs an upholstered lounge of generous proportions with elegant materials. Its industrial legs add an edge to the piece, accenting the geometric shape of the chair.

This tranquil piece is gently cushioned in the lower back and seat with nested plywood shells. Upholstered in three ergonomic areas for ultimate comfort, the Fulton Lounge + Rocker cocoon the user slightly to minimize audible and visual distractions for the ever-interactive and evolving workspace or cafe. The inner seat, outer seat, and cushion can be upholstered in the user's fabric of choice.

Fulton's use extends beyond the office; this piece is equally at home in residences as it is in hospitality or commercial spaces. Its inviting shape and gentle motion make it approachable and timeless.
