Coverings

All upholstered items may be ordered using HBF Textiles, HBF Leathers, or coverings provided by the customer. Prices listed as COM refer to Customer’s Own Material. Prices listed as COL refer to Customer’s Own Leather. Prices listed as GRADE refer to HBF Textiles and/or HBF Leather.

Yardage requirements shown in the price list are based on non-directional 54” wide material. The following conversion chart should be used to determine yardage requirements when COM is 54” wide or less and/or has a repeat of 2” or more. Add together the vertical and horizontal repeat to determine which column should be used as a reference.

<table>

To determine the possibility of reduced yardage requirements for orders of thirty (30) or more units, please contact The HBF Client Experience Team. HBF reserves the right to request additional yardage of COM/COL at customer expense based on repeat and/or pattern size, and number of rolls.

All COM/COL’s must be approved for application before the purchase order is submitted to HBF. Please contact The HBF Client Experience Team at hbfservice@hbf.com to verify that your COM/COL fabric has been approved. If it has not, please request COM/COL approval testing via www.hbf.com under COM/COL Request. Failure to submit a COM/COL for testing may result in additional expenses or rejection of COM/COL. For any repeat and/or pattern size not listed, please contact The HBF Client Experience Team for a yardage requirement quotation.

HBF cannot be held responsible for performance, color accuracy, or weaving of COM/COL materials. All responsibility for COM/COL shipments is between the purchaser and the textile source. HBF reserves the right to reject any COM or COL. HBF assumes no responsibility for suitability or wearability of COM/COL. Difficult COM/COL may be subject to additional charge if additional labor costs are incurred. HBF assumes no responsibility for the flame retardance of any COM. Customers are solely responsible for making sure that COM complies with all applicable codes and regulations. Orders specifying COM/COL will not be scheduled for production until all approved COM(s)/COL(s) are received by HBF. To ensure proper COM/COL expediting, please tag fabric/leather roll(s) with the following information: 1. Purchasing dealer name and purchase order number 2. HBF acknowledgement number, if available 3. Other pertinent information which will enable proper COM/COL identification.

When sending COL for use on one of our upholstered pieces, please send eighteen (18) square feet of leather for each yard of 54” plain fabric required for that item.
COM/COL ORDERING REQUIREMENTS:
Prior to acceptance of order specifying COM/COL, a memo sample must be submitted to HBF for determination of suitability. All COM's and COL's must be rolled separately, on individual tubes. Multiple fabrics rolled on the same tube will not be accepted.

For ease of expediting your COM/COL order, we require the following information:

1. Fabric description
2. Fabric source
3. Order line, product name or number
4. Fabric color
5. A swatch of the covering
6. Special application instructions, if any

If COM/COL is of a type requiring choices of seam placement, face side, position of design or repeat; these instructions must be clearly stated on the original order.

HBF cannot be held responsible for performance, color accuracy, or weaving of COM materials. All responsibility for COM shipments is between the purchaser and the textile source.

HBF reserves the right to reject any COM or COL. HBF assumes no responsibility for suitability or wearability of COM/COL. Difficult COM/COL may be subject to additional charge if additional labor costs are incurred.

HBF assumes no responsibility for the flame retardance of any COM. Customers are solely responsible for making sure that COM complies with all applicable codes and regulations.

Orders specifying COM/COL will not be scheduled for production until all approved COM/COL is received by HBF.

To ensure proper COM/COL expediting, please tag fabric/leather with the following information:
1. Purchasing dealer name and purchase order number
2. HBF acknowledgement number, if available
3. Other pertinent information which will enable proper COM/COL identification.
Combination of Upholstery Applications

All seating ordered with combination upholstery application (fabric, leather) that is not offered as standard is subject to a **$103 List Upholstery upcharge** and will be entered and processed as a special model, in addition to the following pricing conditions:

1. Combinations using HBF Textiles and COM will be priced at the COM price. The cost of the portion of the HBF Textiles used, will be entered as a miscellaneous charge on the furniture order.
2. Combinations using HBF Textiles and HBF Leathers, or COM and HBF Leathers, will be priced at the appropriate Leather I-V price.
3. Combinations using HBF Textiles and COL, two COL’s, or COM and COL, will be priced at the COL price. The cost of the portion of the HBF Textiles used, will be entered as a miscellaneous charge on the furniture order.
4. Combinations using two HBF Textiles will be invoiced at higher grade price.
5. When specifying combination of upholstery applications, a sketch indicating placement of textiles and direction of applications must accompany the purchase order.

Special Code Compliance

**California #117-2013**

Unless otherwise specified, foam used in all HBF seating products complies with these guidelines.

**California #133**

Following are the Net upcharges and minimum unit requirements for special construction to comply with these guidelines.

- **Guest Chairs** $113 Net per unit (minimum of two units)
- **Swivel Chairs** $167 Net per unit (minimum of two units)
- **Lounge Chairs** $233 Net per unit
- **Ottomans** $113 Net per unit
- **Loveseats** $303 Net per unit
- **Sofas** $352 Net per unit
- **Bench Seating** $167 Net per unit (regardless of size)

HBF can not be held liable if original purchase order does not indicate a requirement for California #133 compliance.

**Boston Fire Code**

**New York Port Authority**

Please contact HBF Customer Service if compliance is required for these special codes.
ANSI/BIFMA c3-2014e Furniture Sustainability Standard and LEVEL® Certification

A majority of HBF’s products have met the necessary qualifications to achieve LEVEL® certification. LEVEL® is the multi-attribute sustainability certification based on the ANSI/BIFMA c3 Furniture Sustainability Standard. The standard and certification were created to deliver the most open and transparent means of evaluating and communicating the environmental and social impacts of furniture products in the built environment. Taking into account a company’s social actions, energy usage, material selection and human and ecosystem health impacts, LEVEL® addresses how a product is sustainable from multiple perspectives. The organization, facilities, and products are audited on an annual basis to ensure ongoing compliance and improvement.

With LEVEL®, customers can make informed choices about sustainable commercial office furniture. The LEVEL® mark identifies that a product has been vetted by an independent third party certifier and its numeric marking of 1, 2, or 3 indicates the threshold of certification the product has achieved. A majority of HBF’s seating, occasional tables, and conference lines are LEVEL® certified. Please download the certificates from our product pages for the complete details. For more information about the ANSI/BIFMA LEVEL® standard, visit www.levelcertified.org.

ANSI/BIFMA Performance Standards

Our seating products meet or exceed ANSI/BIFMA weight performance standards of 275 lbs. (124.7 kg.) unless otherwise noted.

SCS Indoor Advantage™

All HBF seating products are SCS Indoor Advantage™ Gold Certified.

SCS Global Services (SCS), a reputable third-party certification and assessment body of environmental, sustainability and safety claims since 1984, has developed internationally recognized standards and certification programs to assist businesses with improving their environmental efforts, social accountability and product performance.

The advantages of holding SCS Indoor Air Quality certification are substantial: in addition to improving indoor working environments and meeting qualifications for the LEED-CI EQ 4.5 credit for office furniture as well as the BIFMA Standard for Low-Emitting Office Furniture Systems & Seating M-7.1, there is the added assurance of knowing that the company’s entire breadth of products is held to such rigorous standards.

For more information regarding SCS Indoor Advantage™, please visit: http://www.scsglobalservices.com.

Please contact the HBF Client Experience Team for pricing and lead time information.

</table>

Veneer and Finishes

Wood owes its inherent beauty to variations in color, grain, and texture; therefore, these variations are not considered defects. Due to the natural color and grain variances of wood substance the final finish color, texture and grain may vary from one furniture piece to another even though they are finished at the same time. Exposure to light and the aging process will cause changes in surface color of natural wood products. Light finishes on wood products do not mask the natural characteristics of wood. HBF does not guarantee the exact matching of grain, pattern and color.

An upcharge of 5% Net COM per seating unit, with a minimum upcharge of $500 Net per order, will apply for any custom wood finish.

Refer to the following page for product material options.
