EXPLANATORY STATEMENT AS REQUIRED UNDER SECTION 173 OF THE COMPANIES ACT, 1956

Item No. 5

The members of the Company at the Annual General Meeting held on October 26, 2010 had approved the appointment of Mr. Santanoo Medhi, as Managing Director of the Company, for a period of three years effective from April 24, 2010 on such remuneration, terms and conditions as exhibited in the Notice convening the said Meeting and the Explanatory Statement thereto and as set out in the agreement dated April 24, 2010 entered between the Company and Mr. Medhi, which was subsequently approved by the Central Government pursuant to Section 269 and other applicable provisions of the Companies Act, 1956.

The Board of Directors at its meeting held on January 25, 2011 considered the proposal and approved the payment of increased salary and circulated the abstract of revised remuneration under Section 302 of the Companies Act, 1956 to all members of the Company. This being the first Annual General Meeting after the aforesaid revision, the consent of the members is now sought as required under the Companies Act, 1956. Details of revised remuneration paid/payable to Mr. Medhi effective October 01, 2010 for the remaining period of the tenure upto April 23, 2013 are as under:

- A) Salary: ₹ 6,456,000/- (Rupees Six million four hundred fifty-six thousand only) per annum or ₹ 538,000/- (Rupees five hundred thirty-eight thousand only) per month with such increases as may be approved by the Board of Directors of the Company from time to time.
- B) Special Allowance of ₹ 3,240,000/- (Rupees three million, two hundred forty thousand only) per

- annum or ₹ 270,000/- (Rupees Two hundred seventy thousand only) per month.
- C) Related increase to Housing, Contribution to Provident Fund and discretionary performance payment, consequent to increase in Salary.

Consequently, monetary values of those perquisites related to salary were also increased. The Company entered into a supplementary agreement dated January 25, 2011 for the revision in the remuneration. All other terms and conditions not specified in the supplementary agreement remain unchanged.

Minimum Managerial Remuneration - In the absence or inadequacy of profits in any financial year, Mr. Medhi shall be paid as minimum managerial remuneration, the salary, discretionary performance pay, if applicable, and perquisites as stated above, subject to the applicable provisions of the Companies Act, 1956 and the rules made there under or any statutory modification or re-enactment thereof.

To enable the Board of Directors of the Company to revise the remuneration of Mr. Medhi from time to time during his term as Managing Director of the Company without any further reference to the general meeting, the members are requested to authorise the Board to consider and approve revision in salary and remuneration of Mr. Medhi from time to time within the limits specified in the applicable provisions of the Companies Act, 1956 read with Schedule XIII.

The Resolution as mentioned in this item of Notice is accordingly commended for acceptance of the Members.

Mr. Santanoo Medhi may be deemed to be concerned or interested in this resolution, since it relates to the terms and conditions of his appointment.

The statement read along with the resolution may be deemed as an abstract of the variation of the terms

of appointment required to be sent to the members of the Company in terms of Section 302 of the Companies Act, 1956.

Item No. 6

Mr. John Chang was appointed as Director on the Board at its meeting held on May 04, 2011, in the casual vacancy caused due to the resignation of Dr. Esat Kemal Yegenoglu, pursuant to provisions contained in Article 129 of the Articles of Association of the Company and Section 262 of the Companies Act, 1956 [hereinafter "the Act"]. According to the provisions of the said article and the Act, he holds office upto the date of this AGM.

As required under Section 257 of the Act, notice has been received from a member along with a deposit of ₹ 500/- signifying his intention to propose Mr. John Chang as candidate for the office of Director.

The brief resume in relation to his experience, functional expertise and memberships on other companies' Boards and committees as required under Clause 49 of the listing agreement is set out in Annexure 'A' to this Notice. The Board considers that his association as Director will be beneficial to and in the interest of the Company.

The Directors commend the passing of the resolution relating to his appointment for the approval of the members as set out at item No.6 in the accompanying Notice.

Mr. John Chang is interested in the resolution relating to his appointment.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

a) Industry Structure and Developments / Opportunities & Threats

Your Company is a leading manufacturer of hard metal products and machine tools which cater to the needs of a wide variety of manufacturing and other industries such as Transportation, General Engineering, Aerospace & Defense, Energy, and Earthworks. It seeks to provide a competitive edge to its customers through a wide variety of standard high quality products as well as items customized to their requirements such as special purpose machines, tools, customized tooling solutions and engineered products.

Your Company's mission is "to deliver productivity to customers seeking peak performance in demanding environments by providing innovative custom and standard wear-resistant solutions, enabled through its advanced material sciences, application knowledge and commitment to a sustainable environment".

The growth story of Indian economy continued in FY11 after a remarkable turnaround in FY10 from the global economic recession which began in late 2008. The Indian economy maintained the momentum from the prior year and witnessed a growth of 8.5% in 2010-11. This growth rate has been contributed by manufacturing as well as services sectors. While the fiscal stimulus measures pulled the economy out of recession in FY10, strong demand has strengthened the economy in FY11.

The rapid recovery in the economy has also brought forth higher inflation, which has been in double digits for quite some time now. The Reserve Bank of India (RBI) has been taking all monetary measures to curb inflation, which in a way, has been detrimental to the business. Significant surge in demand has led to challenges on the supply chain capacity of vendors. Thrust on Green and efficient transportation has led the Original Equipment Manufacturers to migrate towards usage of newer, lighter and advanced materials. As in the past, the management of your Company is continuously and closely watching these developments and taking appropriate steps to exploit new opportunities and overcome the challenges to retain its market leadership.

b) Operations:

During the recent global recession, the Company made some key decisions and even many

strategic investments in our business to reinvent ourselves as a true Customer-Facing Company. This meant leaning out and standardizing our processes; embracing standard SAP; and implementing a market sector approach to our structure. To our customers, this new structure means better service and partnership, and leverages our ability to provide Enterprise-wide solutions for their needs.

During FY11, your Company also pursued a Strategy of focusing customers clustered around common themes so as to bring relevant proven solutions to these customers in a strategic manner. The customers were grouped around the themes of Transportation, Aerospace & Defense, Energy, Earthwork and General Engineering. Special task forces with dedicated resources were created to pursue opportunity created by this focus

In FY11, your Company rolled out a dual brand strategy to harness the full potential of both "KENNAMETAL" and "WIDIA" brands. Both the brands have grown in double digits in the year. Your Company intends to further leverage this strategy in coming years to serve the customers better by providing quality and innovative products under both the brands. As part of this strategy there have been numerous new launches in FY11 in both the brands which have helped the Company to consolidate its position in the market.

One of the key initiatives during the year was to start setting up of regional service centers strategically located across India to better serve our customers. One such center has already been started in Jamshedpur and few more would be put up in other industrial zones in the country.

Your Company believes that mind share of a Customer is critical to market share. As part of this initiative your Company participated in many important events and seminars such as IMTEX '11, Bauma India Show, and Wire India Show to name a few. Your Company also launched a dedicated website for the WIDMA Machine Tool brand to show case our capabilities in special purpose machine tools.

It has always been the endeavor of your Company to remain focused on improving operating efficiencies. Many Lean manufacturing initiatives were taken last year to strengthen the ability to meet customer's expectation of better quality at lower cost. Lean initiatives are also being carried out in non-manufacturing functions like Finance, HR, etc. to reduce all forms of waste. These initiatives have ensured lower costs and coupled with Increased Sales have enabled the Company to achieve better margins during FY11.

During the year your Company has received KVBS global Lean Awards both in manufacturing and non-manufacturing categories. Both these awards demonstrate the commitment of the management to improve upon the operating efficiency and provide better customer service. Your Company is also committed to green initiatives and has been awarded 3 awards at national level for energy savings during the year.

c) Segment-wise performance:

The segments for financial reporting are:

- (i) Hard metal and hard metal products
- (ii) Machine Tools

Segmentation is primarily based on nature of the products and services provided by the segment and the business risks attached thereto. Each segment represents a business that offers different products and services, and serves different markets. Apart from the primary business segments, the secondary segmental reporting is on the basis of the geographical locations of the customers viz. domestic and international. Common allocable costs are allotted to each segment to the extent of services utilized and activities involved. The details of segment wise results are given as part of the Annual Accounts as required under Accounting Standard 17 – Segment Reporting.

d) Company's outlook

While the macro economic outlook for the country remains positive, many factors such as high inflation in the country, weakening of the Rupee and potential financial crisis in Western world may impact respective economies. High oil prices pose a big threat to growth and inflation. Consequently, the business growth expectations require moderation since the growth levels witnessed in prior year may not be sustainable. Though the monsoon is on time and will impact the economy positively, rising commodity prices will throw challenges in terms of maintaining the profitability across the manufacturing sector. Operating margins may come under pressure due to higher input and operating costs.

Annexure I to the Directors' Report

The macro economic outlook is thus not so favorable and may impact demand and in turn likely to impact the growth rate for your Company. The focus of the Company would continue to be on improving productivity to customers by providing innovative customized and standard wear resistant solutions. With strong emphasis on new products we expect to maintain the leadership position in the marketplace.

e) Risks and concerns

There has been a steep increase in the prices of basic raw materials like APT and Tantalum which have gone up by 56% and 177% respectively and this has been a cause of concern for the Company. These unprecedented price increases bring in the challenge of passing on the escalations to customers in the form of price increase and may impact margins.

The Reserve Bank of India has been very aggressive with the monetary policy measures to control inflation. As a consequence the lending rates have been on rise continuously for more than 6 quarters. The increase in the interest rates will impact the demand in the Transportation segment from where your Company derives significant revenues.

Manpower attrition has been a major challenge for all the companies across the board. Your Company continues to focus on various initiatives (like Job Enhancement, Job Enrichment etc.) taken up during prior year to attract and retain key talent.

f) Internal control systems and their adequacy

Your Company carries out regular and rigorous reviews to monitor all assets including Fixed Assets, Investments and Primary Working Capital. Strict control of expenses coupled with control of working capital has ensured that your Company remains debt-free and profitable.

Your Company reviews its Risk Management policy at least bi-annually and presents its actions to the Board of Directors for review. The recommendations of the Board members are taken into account and implemented through necessary instructions/actions.

During the year, the Internal Audit department conducted 8 internal audit reviews and presented its reports to the Audit Committee. The Audit Committee and the Board also hold independent discussions with the Internal Auditors and the Statutory Auditors every quarter to make an

independent assessment of the internal control systems and there has been no report of any significant weakness in the Internal Control framework of the Company.

g) Financial performance

Your Company had a record financial performance in FY11. The total Income for FY 11 has grown by 36% as against 20% growth in the previous year. There has been a sharp increase in profitability of the Company with Profit after Tax at ₹885 Million is 17% of Total Income as against 13.5% in the prior year and with the higher Total Income in FY 11, the Company has achieved an increase of 70% in Net Profit over the previous year. The increase in profitability has been a result of volume growth coupled with efficient cost management. Productivity improvement, relentless cost control, active deployment of lean processes and price increases on a selective basis have significantly offset the unprecedented increase in raw material prices. The Sales per Employee has also gone up from ₹ 4 Million in FY10 to ₹ 5.8 Million in FY11 resulting in 45% improvement over the previous year.

All the segments lead by Transportation and General Engineering have achieved double digit growths over the prior year. The Machine Tool Business has grown by 29% in terms of Sales and witnessed a record order intake of ₹ 870 Million. Your Company continues to leverage the world class manufacturing facilities to ship more and more products to new Kennametal locations, primarily Asia and Brazil in addition to USA, Israel and Germany.

As in the past, Working Capital control has been one of the most focused areas in the Company. With improved working capital and profitability, Return on Invested Capital (RoIC) has significantly improved to 43% in FY11 as against 26% in FY10. The Balance sheet of the Company remains most healthy and the Company continues to be fully debt-free.

5 year charts for key financial indicators are also given separately in this report.

h) Material Developments in Human Resources and Industrial Relations

Your Company recognizes the Human Resources as important assets of the Company and it is constantly engaged in developing competencies of these resources to deliver performance to its full potential.

Highlights of FY11:

- Human Capital Management Project was implemented where SAP HR got upgraded from 4.6c to 6.0.
- Project Next roll out was successfully completed where standardization of position titles was achieved. Employee Self Service functionality was introduced.
- Enterprise Compensation Management System was implemented along with the concept of Salary Bands and Market Reference Rates.
- Reward & Recognition Scheme was introduced for enhancing Employee Engagement.
- Talent acquisition process was enhanced by the introduction of the E-recruit portal. The employee strength of the Company as on June 30, 2011 was 923.
- Training and Learning Activities for Employees, Dealer Personnel and Customers continued to be an area of Focus through the Kennametal Knowledge Center.
- Industrial relations remained generally cordial and harmonious throughout the year. Wage settlement Agreement expired on June 30, 2011 and a new wage settlement is under process.

REPORT ON CORPORATE GOVERNANCE

Corporate governance philosophy and compliance

Your Company's philosophy is based on a belief that good corporate governance helps to enhance stakeholders' value by focusing on long-term stakeholder value creation without compromising on integrity, social obligations and regulatory compliances. The Company's management firmly believes that good corporate governance should be internally driven and not be looked upon just as an issue of compliance dictated by statutory requirements. Your Company has complied with the mandatory and non-mandatory requirements relating to corporate governance prescribed under Clause 49 of the listing agreement, as detailed below:

1. Composition of the Board

The Board of Directors has 6 members (as on June 30, 2011), including the Managing Director and 5 nonexecutive directors who bring a wide range of experience and knowledge to the Board. The Company has a non-executive Chairman and the number of independent directors is one-third of the total number of Directors. The Chairman is neither a promoter of the Company nor is he related to any promoter or person occupying management positions at the Board level or at one level below the Board. The composition of the Board is in conformity with Clause 49 of the Listing Agreement. During the year under review, six meetings of the Board of Directors were held on the following dates: August 13, 2010, October 26, 2010, December 09, 2010, January 25, 2011, May 04, 2011 and June 06, 2011.

I have examined the compliance of the conditions of Corporate Governance by Kennametal India Limited for the year ended 30th June, 2011 as stipulated in Clause 49 of the Listing Agreement of the said Company with Bombay Stock Exchange Limited, Mumbai(BSE) in India.

The compliance of the conditions of Corporate Governance is the responsibility of the Company's Management. My examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement.

I state that in respect of investors' grievances received during the year ended 30th June, 2011, no investor grievances are pending against the Company as on 30th June, 2011, as per the records maintained by the Company and as stated by the Registrar and Share Transfer Agent.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

AUDITORS' REPORT

AUDITORS' REPORT TO THE MEMBERS OF KENNAMETAL INDIA LIMITED

- We have audited the attached Balance Sheet of Kennametal India Limited (the "Company") as at June 30, 2011, and the related Profit and Loss Account and Cash Flow Statement for the year ended on that date annexed thereto, which we have signed under reference to this report. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.
- 2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
- 3. As required by the Companies (Auditor's Report) Order, 2003, as amended by the Companies (Auditor's Report) (Amendment) Order, 2004 (together the "Order"), issued by the Central Government of India in terms of sub-section (4A) of Section 227 of 'The Companies Act, 1956 of India (the 'Act') and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
- 4. Further to our comments in the Annexure referred to in paragraph 3 above, we report that:
 - (a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the

- Company so far as appears from our examination of those books:
- (c) The Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report comply with the accounting standards referred to in subsection (3C) of Section 211 of the Act;
- (e) On the basis of written representations received from the directors, as on June 30, 2011 and taken on record by the Board of Directors, none of the directors is disqualified as on June 30, 2011 from being appointed as a director in terms of clause (g) of subsection (1) of Section 274 of the Act;
- (f) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements together with the notes thereon and attached thereto give, in the prescribed manner, the information required by the Act, and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - i) in the case of the Balance Sheet, of the state of affairs of the Company as at June 30, 2011;
 - ii) in the case of the Profit and Loss Account, of the profit for the year ended on that date; and

ANNEXURE TO AUDITORS' REPORT

[Referred to in paragraph 3 of the Auditors' Report of even date to the members of Kennametal India Limited on the financial statements for the year ended June 30, 2011]

- (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
 - (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies between the book records and the physical inventory have been noticed.
 - (c) In our opinion and according to the information and explanations given to us, a substantial part of fixed assets has not been disposed of by the Company during the year.
- (a) The inventory (excluding stocks with third parties)
 has been physically verified by the Management
 during the year. In respect of inventory lying with
 third parties, these have substantially been
 confirmed by them. In our opinion, the frequency
 of verification is reasonable.
 - (b) In our opinion, the procedures of physical verification of inventory followed by the Management are reasonable and adequate in relation to the size of the Company and the nature of its business.
 - c) On the basis of our examination of the inventory records, in our opinion, the Company is maintaining proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
- 3. (a) The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 301 of the Act and accordingly, paragraphs iii(b), iii(c) and iii(d) of the Order, are not applicable.
 - b) The Company has not taken any loans, secured or unsecured, from companies, firms or other parties covered in the register maintained under Section 301 of the Act and accordingly, paragraphs iii(f) and iii(g) of the Order, are not applicable.
- 4. In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of inventory, fixed assets and for

- the sale of goods and services. Further, on the basis of our examination of the books and records of the Company, and according to the information and explanations given to us, we have neither come across nor have been informed of any continuing failure to correct major weaknesses in the aforesaid internal control system.
- 5. According to the information and explanations given to us, there have been no contracts or arrangement referred to in Section 301 of the Act during the year to be entered in the register required to be maintained under that Section. Accordingly, the question of commenting on transactions made in pursuance of such contracts or arrangements does not arise.
- 6. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 58A and 58AA or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 1975 with regard to the deposits accepted from the public. According to the information and explanations given to us, no Order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal on the Company in respect of the aforesaid deposits.
- 7. In our opinion, the Company has an internal audit system commensurate with its size and nature of its business.
- 8. We have broadly reviewed the books of account maintained by the Company in respect of products where, pursuant to the Rules made by the Central Government of India, the maintenance of cost records has been prescribed under clause (d) of sub-section (1) of Section 209 of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- 9. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues including provident fund, investor education and protection fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, customs duty, excise duty, cess and other material statutory dues as applicable with the appropriate authorities.
 - (b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of dues of income tax, sales-tax, wealth-tax, service-tax, customs duty, excise duty and cess as at June

30, 2011 which have not been deposited on account of a dispute, are as follows:

16. Notes on Accounts

1. Statement on Significant Accounting Policies

i. Basis of accounting and preparation of Financial Statements

The Company adopts the historical cost concept and accrual basis in accordance with Generally Accepted Accounting Principles (GAAP) for the preparation of its accounts and complies with the applicable Accounting Standards notified under section 211(3C) of the Companies Act, 1956 and the relevant provisions of the Companies Act, 1956.

Use of estimate

The preparation of financial statements, in conformity with Generally Accepted Accounting Principles (GAAP), requires that the management makes estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of financial statements and the reported amounts of revenue and expenses during the reported period.

ii. Fixed Assets

Fixed assets are stated at their original cost of acquisition and subsequent improvements thereto including taxes, duties, freight and other incidental expenses related to acquisition and installation of the assets concerned.

Own manufactured assets are capitalized at cost.

Operating software is capitalized along with fixed asset. Application software is expensed off on acquisition except in case of major application software, having unit value exceeding ₹ 1,000 thousand or forming part of an overall project, which is amortized over its estimated useful life or project life.

iii Leases

Assets acquired under leases where the Company has substantially all the risks and rewards of ownership are classified as finance leases. Such leases are capitalized at the inception of the lease at lower of the fair value or the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

Assets acquired as leases where a significant portion of the risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the Profit and Loss Account on accrual basis.

iv. Depreciation

Depreciation is provided from the month of capitalization on a Straight Line Method at the rates prescribed in Schedule XIV of the Companies Act, 1956 except for the following where based on technical evaluation of the management, the rates are higher than Schedule XIV rates.

a) Owned assets

	% Per annum
Buildings:	
Factory	4.00
Non Factory	3.00
Plant and Machinery:	
Data processing equipments - Computers	33.33
Data processing equipments - Others	20.00
Furniture and Fixtures, Vehicles and Office Equipments	20.00

Leasehold improvements are depreciated over the primary lease period. Machinery spares of irregular usage are amortized over the estimated useful lives of the respective Plant and Machinery.

b) Leased assets

Assets taken on finance lease are depreciated over its estimated useful life or the lease term whichever is lower except in case of leased assets, where there is a reasonable certainty that the ownership of the assets will be obtained at the end of the lease term, which are depreciated over the estimated useful life.

16. Notes on Accounts ... contd.

v. Investments

Long-term investments are stated at cost. A provision for diminution is made to recognise a decline, other than temporary, in the value of long term investments. Current Investments are stated at lower of cost and fair value.

vi. Inventories

Inventories are valued at lower of cost and net realisable value except in case of Stores and Spares which are valued at cost, after providing for the old, damages, obsolescence and other anticipated losses, wherever considered necessary.

The costs are, in general, ascertained as under:

Raw Materials and Components : Moving weighted average method, cost ascertained based on

standard cost.

Stores and Spares : Moving weighted average method.

Work-in-Progress : Material cost plus appropriate manufacturing overheads.

Stock-in-trade:

Finished Goods : On a first in first out basis, cost being ascertained based on

standard cost.

Traded Goods : Moving weighted average method

vii. Foreign Currency Transactions

Transactions in foreign currency are recognised at the rate of exchange ruling on the dates of the transaction.

Liabilities / Assets in foreign currencies are reckoned in the accounts as per the following principles: Foreign currency liabilities contracted for acquiring fixed assets are restated at the rates ruling at the year end and all exchange differences arising as a result of such restatement are adjusted to the profit and loss account.

All monetary assets and liabilities denominated in foreign currency are restated at the rates ruling at the year end and all exchange gains / losses arising there from are adjusted to the Profit and Loss Account, except those covered by forward contracted rates where the premium or discount arising at the inception of such forward exchange contract is amortised as expenses or income over the life of the contract.

Exchange difference on forward contracts are recognised in the Profit and Loss Account in the reporting period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such forward contracts is recognised as income or expense for the year.

viii. Research and Development

Revenue expenditure on research and development is charged under respective heads of account. Capital expenditure on research and development is capitalised as fixed assets and depreciated in accordance with the depreciation policy of the Company.

ix. Revenue Recognition

Revenue from sale of products is recognized when risk of loss, title and insurable risk have transferred to the customer, which in most cases, coincides with shipment of the related products. Further the revenue from sale of special purpose machine is recognized upon customer acceptance and despatch. A sale is recognised net of sales returns, trade discount, sales tax and service tax but includes excise duty wherever applicable.

Income from services rendered is recognised based on agreements / arrangements with customers. Interest and other income are accounted for on accrual basis.

Dividend income is accounted for in the year in which the right to receive the same is established.

x. Employee Benefits

Short term Employee Benefits:

All employee benefits falling due wholly within twelve months of rendering the services are classified as

16. Notes on Accounts ... contd.

short term employee benefits, which include benefits like salaries, wages, short term compensated absences and variable performance pay and are recognized in the period in which the employee renders related services.

Gratuity:

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The Company has an Employees Gratuity Fund managed by Life Insurance Corporation of India (LIC). The Company accounts for the liability of Gratuity Benefits payable in future based on an independent actuarial valuation using the projected unit credit method at the Balance Sheet date.

Leave Encashment/ Compensated Absences:

The Company provides for the encashment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment/ availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

Provident Fund:

Contributions in respect of Provident Fund, which is a defined contribution scheme, is recognised as an expense in the period in which employee renders related services. Provident fund contributions are made to a Trust administered by the Company. Interest rate payable to the members of the Trust shall not be lower than the statutory rate of interest declared by the Central Government under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 and shortfall, if any, shall be made good by the Company. Refer Note 15 (i).

xi. Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation as a result of past obligating events, for which it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made. Provisions are reviewed regularly and are adjusted where necessary to reflect the current estimates of the obligation. When the Company expects a provision to be reimbursed, the reimbursement is recognized as a separate asset, only when such reimbursement is virtually certain.

Contingent liability is disclosed when there is a present or possible obligation, the settlement of which may not involve an outflow of resources. No disclosure is made when the possibility of outflow of resources is remote.

xii. Taxation

Current and Deferred Tax:

Tax on income for the current year is determined on the basis of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are recognised and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset can be realised.

xiii. Segment Accounting

Segment Accounting Policies

Segment accounting policies are generally in line with the accounting policies of the Company. However, the following specific accounting policies have been followed for segment reporting:

- Segment revenue includes sales and other income directly identifiable with / allocable to the segment.
- b) Expenses that are directly identifiable with / allocable to segments are considered for determining segment results. The expenses, which relate to the Company as a whole and not allocable to segments, are included under "Unallocable Corporate Expenses".

(₹ in Thousands)

16. Notes on Accounts ... contd.

- c) Income, which relates to the Company, as a whole and not allocable to segments is included in "Unallocable Corporate Income".
- d) Segment assets and liabilities include those directly identifiable with respective segments. Unallocable corporate assets and liabilities represent the assets and liabilities that relate to the Company as a whole and not allocable to any segment.

Inter-Segment Transfer Pricing

Inter-segment transactions are not included in the segment revenue and are accounted at cost.

xiv. Earnings Per Share

Earnings (basic and diluted) per equity share is arrived at based on Profit/ (Loss) after taxation to the basic / weighted average number of equity shares.

xv. Impairment of Assets

At each balance sheet date, the Company assess whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount. If the carrying amount of the assets exceeds its recoverable amount, an impairment loss is recognised in the profit and loss account to the extent the carrying amount exceeds recoverable amount.

xvi. Product Support

The estimated liability for product support is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of product support claims and management estimates regarding possible future incidence based on corrective actions on product failures.

2. Commitments

Capital Commitments (net of advances) ₹ 210,020 (2010: ₹ 30,442)

16. Notes on Accounts ... contd.

(₹ in Thousands)

21. In accordance with Accounting Standard 29 on "Provisions, Contingent Liabilities and Contingent Assets" as notified under section 211(3C) of the Companies Act, 1956 and the relevant provisions of the Companies Act 1956, certain classes of liabilities have been identified as under:

Particulars	As at	Additions	Utilisation	Reversals	As at
	June 30, 2010				June 30, 2011
Product support	14,000	9,600	_	_	23,600
	(13,400)	(600)	_	_	(14,000)

Note: Figures in bracket relates to previous year

The company sets up and maintains provisions for trade and other demands when a reasonable estimate can be made. These provisions are made based on estimates made by the management that are reviewed annually. These matters involve quick settlements not exceeding a period of two to three years in most cases.

22. Remittance in Foreign currency during the year on account of Dividends to Non-Resident Shareholders.

No. of Shareholders	No. of Shares	Particulars	2011	2010
2	19,376,013	Interim Dividend	678,160	251,888

23. Company does not have a scheme for grant of its Stock options either to the Executive Directors or Employees for the shares issued in India. However the Managing Director and certain senior management employees of the company are granted stock options in a share based compensation plan of Kennametal Inc., the ultimate holding company.

These plans are assessed, managed and administered by the ultimate holding company and no cross charges/debits have been made on the company.

24. The company had obtained licenses under the EPCG scheme for importing capital goods at a concessional rate of custom duty. The scheme required the company to manufacture and export goods equivalent to eight times the duty saved within a period of 8 years from the date of respective Licenses. During the previous year, after evaluating various options, the company was of the opinion that it will not be able to meet the said export obligation within the stipulated time period and decided to close the pending licenses on payment of duty saved and interest.

Accordingly during the year the company has paid duty saved amount of ₹57,313 [Customs duty ₹22,072] and Counter Vailing Duty of ₹ 35,241] and interest of ₹ 47,585 and discharged all the pending export obligation. Such Customs Duty paid is capitalized and Cenvat Credit availed on the Counter Vailing Duty. Interest to the extent of ₹45,241 was provided during previous year and the balance of ₹2,344 charged during the year.

- 25. During the year, Company has changed the rate of Depreciation charged on Computers, forming part of Data Processing Equipments under Plant and Machinery, from 20% to 33.33% with retrospective effect, resulting in additional depreciation charge for the year by ₹ 4,122 and decrease in the profit for the year to the same extent.
- **26.** Previous year's figures have been reclassified / regrouped, wherever necessary.
