HALIFAX™ LED LEVER

DOOR LEVER WITH MOTION SENSOR

Step into a new era of safety and style with the Halifax™ LED Lever. The LED light illuminates as you approach, making the handle easy to find in the dark, in kids' bedrooms or during a power outage. Combine it with Halifax™ levers you already own for a unified, modern look throughout your home.

- Light is activated when motion is detected approximately 10 feet away
- Light turns off after 7 seconds of undetected movement to extend battery life
- LED light on one side of the door only
- LED light can be installed on either side of the door
- Button located on the back of the lever grip for easy battery replacement
- 8 month average battery life*
- Uses 1 AAA battery (included with purchase)

Halifax LED Lever with square rose
in Matte Black

*Based on 20 activations per day, with each activation lasting 10 seconds

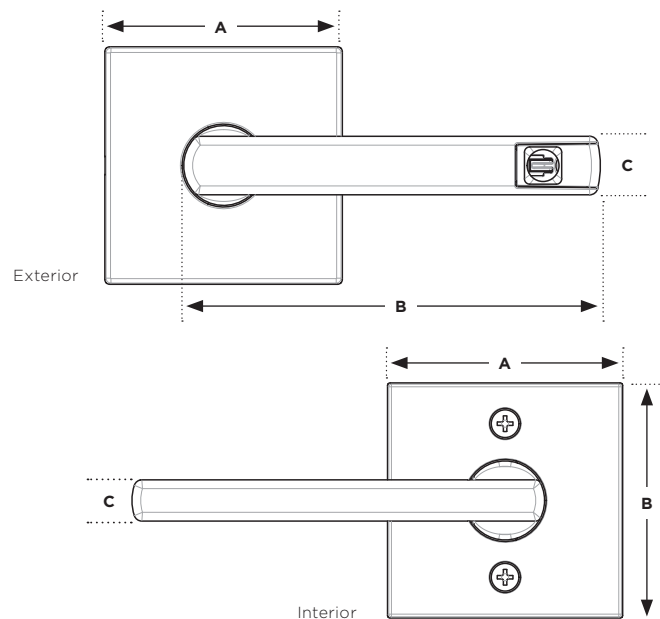

#1 SELLING U.S. LOCK BRAND*
