CONVERT

Smart Lock Conversion Kit

Transform your existing deadbolt into a smart lock.

Kevo Convert replaces the interior part of your current door lock for smarter access to your home using your smartphone. The exterior of your door remains unchanged and traditional keys will still work as a backup.

Simple to Use

Intuitive Kevo app includes all the convenient features you need right at your fingertips.

- **InHome Locking/Unlocking**

Upstairs when guests arrive? No problem. You can unlock the door within Bluetooth® range of the lock.

- **Easy eKey Management**

Send an electronic key (eKey) to family, friends, or visitors. Add, delete or disable eKeys instantly. Select between anytime, 24-hour or scheduled access.

- **Convenient Monitoring**

View history of lock activity and receive notifications when guests arrive.

- **Smart Home Compatible**

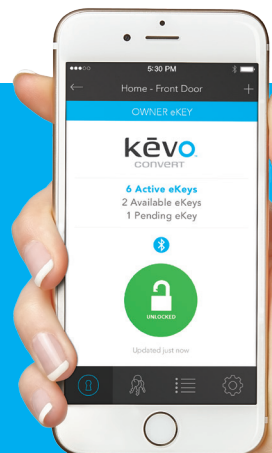

Link Kevo Convert to other smart products you already have such as Nest® Thermostat, Android Wear, and Ring™ Video Doorbell.
