TERMS AND CONDITIONS OF SALE

Standard terms are 2% prompt payment discount for payment within 25 days from date of invoice; net 30 days from the date of invoice. Kwikset® reserves the right to charge and recover on invoices which are not paid within the above terms, a service charge of 1-1/2% a month for each month or fraction thereof during which the invoice remains unpaid, said service charge, however, not to exceed the highest applicable legal rate of interest. All orders, whether solicited or written by our sales representatives or forwarded by our customers are deemed to be mere offers to purchase in accordance with these Terms and Conditions of Sale until actually accepted by us at our home office in Lake Forest, CA. We reserve the right to refuse any order as well as the right to sell or not sell to any firm at our sole discretion. The acceptance of an order is expressly made conditional upon your assent to these Terms and Conditions of Sale. We object to the inclusion of any different or additional terms or conditions, even if the same are included in your order, a contract of sale will result upon the Terms and Conditions of Sale stated herein only. Prices reflected in this book apply to Wholesale customers only.

All sales are final.

PRICES

Shipments less than these quantities will not be shipped on a prepaid basis. If higher freight charges are incurred from customers specifying a carrier or route of their choice the additional cost will be added to that customer's invoice.
