Signature Series 2ND GEN DEADBOLT

A new, smarter way to discreetly connect to your home. With a Signature Series™ Deadbolt with Home Connect™, you can access your lock from anywhere. Never worry about forgetting to lock your door again.

Expanding your security system solution with a Signature Series Deadbolt with Home Connect™ technology will allow the lock to communicate wirelessly to security and home automation systems via Z-Wave® Plus.

Be Prepared For Life's Unplanned Moments

No matter where you are - work, vacation, or on the road, if something goes wrong in your home, you can remotely provide temporary access to those who need it.

Remote Locking & Unlocking

Control your lock from anywhere on your smart phone, tablet, or Internet connected device.

Features

- Motorized deadbolt — enables true remote locking and unlocking
- Receive notifications when the door is locked/unlocked
- Lock and unlock doors from anywhere
- Extended range with Z-Wave plus technology

#1 SELLING U.S. LOCK BRAND*
