Bump Proof

SmartKey Security patented side locking bar technology replaces the traditional pin-and-tumbler design and provides improved security against lock bumping.

**BUMP
PROOF**

How SmartKey Security™ Works

1. Insert current key and rotate it 90° clockwise.

2. Fully insert SmartKey tool. Remove tool and remove current key.

3. Fully insert new key and rotate 180°. Rotate back to starting position and remove key. *Your lock is now re-keyed!*
