Features

- Robust metallic design for enhanced durability
- BHMA Commercial grade 2 certified
- Highest residential security rating
- 3 year battery life
- Reversible lever to fit left-hand or right-hand doors
- Property managers can disable the Passage Mode so that it auto-locks every time and a key or code is always required for entry. This is ideal for restrooms in restaurants and gas stations.

User Codes

- Up to 30 user access codes that can be customized for sharing with employees, maintenance personnel and service professionals
- User can program a one-time user code for emergencies, which deletes after first usage.
- For added convenience, property managers can program the lock from the outside with a programming code.

#1 SELLING U.S. LOCK BRAND
