

Back Seat Booster Seat INSTRUCTION MANUAL

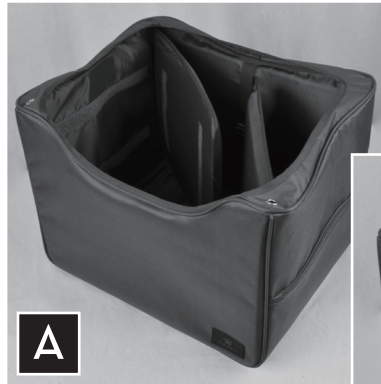

Read all instructions before assembly, installation and use.
Please keep these instructions for future reference.

ASSEMBLY:

1. Unfold booster seat.
2. Secure padded walls with velcro strips to the side walls (A) in order to secure structure.
3. Place cushion in base of booster seat so it fits snugly to the bottom.

For A Bigger Boost:

1. When your pet needs a bigger boost, pull down the flaps on the bottom of the cushion and use the velcro strips to secure the flaps in place (B). Then follow step 3 in assembly.

INSTALLING IN VEHICLE:

1. Thread seat belt through straps located on the back of the booster seat.
2. Buckle the seat belt to secure the booster seat in place.
3. Clip restraining tether to pet's harness to secure pet in booster seat.

WASHING INSTRUCTIONS:

1. Remove the cover on the cushion (C). Machine wash the cover separately in cold water. Tumble dry low heat.
2. For the rest of the booster seat, wipe any excess dirt off with cloth or sponge.

If you are not satisfied with this product, return it with your valid receipt to the place of purchase for a refund.
