

- A** Rear Headrest Straps
- B** Front Headrest Straps
- C** Seat Belt Openings
- D** Side Zipper Opening

ATTACHING:

1. Clip rear headrest straps (A) around rear headrests.
2. Clip front headrest straps (B) around front headrests.
3. Tighten all straps so the center of the hammock still touches the seat but doesn't have any slack.

OPTIONAL:

1. When needed, pull seat-belt buckles through center zipper opening (C). Unzip side zippers (D) to make room for people that want to sit in the seat but not on the protector.
2. To use as a seat cover, do not connect front headrest straps (B) and allow the cover to rest on the floor.

WASHING INSTRUCTIONS:

1. Wipe any excess dirt off with cloth or sponge.
2. Machine wash on gentle cycle in cold water with a pet-safe detergent. Do not bleach.
3. Air dry.

If you are not satisfied with this product, return it with your valid receipt to the place of purchase for a refund.
