

WARNING

1. Do not put the wagon near fire or high temperature environment, which may cause damage of plastic parts.
2. Do not use it on uneven surfaces as it may shorten the product's life.
3. This product has been designed for storing and transporting only.
4. This product is not a toy for children. Do not sit in it.
5. Exceeding maximum capacity limit may cause damage to product.
6. Please fix all goods in it to avoid anything dropping. Do not run or rush when moving.
7. Use care when assembling/disassembling so that fingers are not pinched.
8. Do not store the product outside, which may cause damage to frame or plastic parts.
9. Please remove dirt and moisture after use.
10. If the fabric becomes dirty, please clean with a light neutral cleaning agent.
11. Wagon does not have brakes and will tip if pet stands on tailgate. Do not pull wagon with tailgate open.
12. Wagon is intended to be used under close supervision. Do not leave your pet unattended. Do not attach leash or use as containment.

Set up the wagon

STEP 1

Open the carton, take out wagon and pet bowls. Then take out the plates and unzip wagon cover.

STEP 2

Unfasten the webbing belt, then push down on the middle of the wagon to open the frame. Do not push hard if the wagon doesn't open easily.

STEP 3

Press the button and lift up to extend handle.

STEP 4

Put the plates onto the bottom of the wagon. Now the wagon is ready for use.

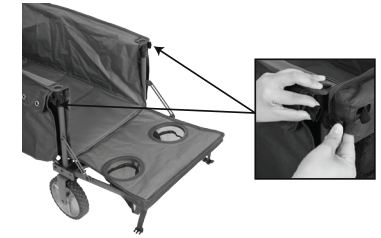

STEP 5

Release the red plastic part, pull out the extra handle tube, then push down the plastic part until it's locked. Now you will have an extra 6 inches to the handle when rolling the wagon.

STEP 6

To use the tailgate function, unbuckle the belt to release the tailgate.

STEP 7

Fit the bowls into the mesh holders to feed your pets. You can also secure bowls with carabiners when not in use.

Fold the wagon

STEP 1

Take out the plates, then pull the webbing handle in the middle of the bottom to fold the wagon.

STEP 2

Fasten the belt and zip the cover. Put the plates into the side pockets.
