Important Safety Information

- Please read all instructions carefully before assembling this product.
- Where applicable, and for your safety, assembly by an adult is strongly recommended.
- Use only vendor-supplied hardware to assemble this item. Using unauthorized hardware could jeopardize the structural integrity of the item.
- Hardware may loosen overtime. Periodically check that all connections are tight.

Before Assembly

- Remove all parts and hardware from the box. Place all items on a carpeted or scratch-free work surface, as this will avoid damaging parts during assembly.
- The shipping box can provide an ideal work surface if none is available.
- Use the components and hardware lists below to identify, inventory and separate each of the hardware and components included.
- To avoid accidentally discarding small components or hardware, do not dispose of any packaging or contents of the shipping carton until assembly is complete.
- **DO NOT USE** power tools unless it is explicitly identified in this manual as required for use during assembly. Power tools can damage the fasteners, hardware and/or components.
- Do not fully tighten all fasteners / screws until all parts are in place. Failure to follow these instructions may cause the fasteners / screws to misalign during assembly.

Care & Use

- Use a soft, clean cloth that will not scratch the surface when cleaning.

Assembly Instructions & User's Manual

Assembly Instructions & User's Manual

Step 1

Screw **LEVELING FEET (I)** into base of **BOTTOM POLES (A)**.

Repeat for all bottom poles.

Step 2

Snap **SLIP SLEEVES (H)** around the grooves on **BOTTOM POLES (A)** for your lowest shelf.

Step 3

Fit **SHELF (E)** over the top of the 4 poles and over **SLIP SLEEVES (H)**.

TIP! If necessary, lightly tap shelves into place with a rubber mallet (not included).

Assembly Instructions & User's Manual

Step 4

Screw **MIDDLE POLES (B)** into the tops of the **BOTTOM POLES (A)** with 4 **CONNECTORS (D)**.

Step 5

Fit the **SIDE RAIL (F)** over the top of the 4 poles and over the **SLIP SLEEVES (H)**.

Assembly Instructions & User's Manual

Step 6

Screw **TOP POLES (C)** into the tops of the **MIDDLE POLES (B)** with 4 **CONNECTORS (D)**.

Assembly Instructions & User's Manual

Step 7

Fit the **FRONT-BACK TRUSS (G)** over the top of the 4 poles and over the **SLIP SLEEVES (H)**.

Assembly Instructions & User's Manual

Step 8

Repeat step 5 for the next set of **SIDE TRUSS (F)**.

Assembly Instructions & User's Manual

Step 9

Fit **SHELF (E)** over the top of the 4 poles and over **SLIP SLEEVES (H)**.

TIP! If necessary, lightly tap shelves into place with a rubber mallet (not included).

Assembly Instructions & User's Manual

Tip-Over Prevention Hardware Kit Installation Instructions

Tip-over prevention hardware kit is included and is **ALWAYS REQUIRED** to be installed for your safety (refer to page 13 for **WARNING** information).

Please follow the installation instructions below.

Use a stud finder to locate studs when positioning shelving. Secure wall straps to wood studs whenever possible. Avoid water or electric lines when securing shelf to wall.

Loop **STRAPS (J)** around rear poles or back of upper shelves.

Mark the installation points through the holes in the strap with a pencil.

For Dry Wall: Drill pilot hole into points and insert **ANCHORS (K)**. Attach with **SCREWS (L)**.

For Wood Studs: Use **SCREWS (L)** to attach **STRAPS (J)** to studs.
